- 🍓 Employee involvement through training programs for skill development

## CHAIRMAN'S STATEMENT

Dear Valued Shareholders,

On behalf of the Board of Directors, I welcome you all.

It gives me immense pleasure to present the 25th Annual Report of your company before all of you.

To begin with, the year gone by has witnessed a significant number of changes with the implementation of Ind AS in our company. What has not changed, however, is the unique ability of our organization to continue to lead the Synthetic Leather Industry.

At Mayur Uniquoters Limited, 2017-18 was a year of new momentum, focused cost discipline with an enhanced emphasis on performance and needless to say, our efforts have borne fruits and the results are commendable. However, that said and done, the year came with major challenges - the post demonetization slowdown, teething troubles of GST migration, and rising input costs of fuel and power for industries. Yet, the economic growth picked up during the year with consumption-related indicators and industrial output improving in the latter half of the year.

If the reports are to be believed, the research of Organization for economic co-operation and development (OECD) as well as the statistics of the Economic survey of India, 2018 point towards the fact that the growth in the economy is on a rising spree, making India the fastest-growing G20 economy. Investment and exports, supported by smoother implementation of the new goods and services tax (GST), are proving to be major growth engines. Inflation, however, is within the target band, with upside risks reflecting rising oil prices and an increase in housing allowance for public employees. All that put together and the current account

deficit will increase, job creation in the formal sector will remain sluggish, leaving majority of workers in low-productivity and low-paid activities. Fiscal and monetary policies are projected to remain broadly neutral.

The need of the hour is to reduce the relatively high public debt-to-GDP ratio by containing contingent fiscal liabilities which is possible only through promotion of good governance in public enterprises. Better risk assessment in banks would allow allocating financial resources to the best projects and avoiding further increase in non-performing loans. Investing more in education and training, combined with a modernization of labour laws, would help create better jobs and make growth more inclusive. The economy is definitely rebounding after the transitory negative impacts of demonetization and initial hiccups of GST.

Coming to our core area of activity; Artificial Leather is one of the most widely traded goods globally. The growth in demand for artificial leather is driven by fashion industry, especially footwear. Apart from this, furniture and interior design industries, as well as the automotive industry also demand leather. It goes without saying that the leather industry has a place of prominence in the Indian economy due to substantial export earnings and growth. The Indian leather industry accounts for 13% of the world's leather production of hides/skins. The country ranks second in terms of footwear and leather garments production in the world and accounts for 10% of the world's footwear production.

With the textile technology evolving, consumers prefer vegan fashion, which refers to adopting non-leather products and with that Artificial leather market is gaining considerable demand since it is the most suitable alternative against other forms of leather.

In the Financial year 2017-18, I am pleased to share that Mayur has gained additional business of 15% increase as against previous year from our OEM customers Chrysler and Ford USA. Current approval process at Ford Motor Company has expanded into three new developments that will lead to worldwide approval for potential business in the near future. European OEM's, particularly Daimler, has completed Initial audit to define capability and the development of products and their approvals are moving fast for a full approval by 4th quarter of Fiscal 2018-2019 which again garner potential business.

Mayur supplies synthetic leather to footwear segment. And though the Footwear industry was affected a lot due to GST, the things have started returning to normal and we are expecting this sector to grow by 10% to 15%. The good thing is that Mayur has headship position in Auto Replacement Market and we are expecting this area to grow 12% to 15% hopeful a good future growth for your company.

I would also like to share that production of the PU Leather will start by 1st Quarter of financial year 2019-20. Demand of PU leather in India is 20 Million meters per month which is taken care of by imports until now. However, the challenge is matching the prices charged by China by way of backward integration and making in-house fabric immediately with PU production and to make PU resin in one to two years. The 7th Coating line is finalized and advance payment has been made and we hopefully get by fourth week of July, 2019.

Your company worked diligently to mitigate the headwinds of the year and has come out well ahead with normalization in cash conditions, setting a strong foundation to shape a great future in the years to come and has through concerted efforts, improved its volumes share, margins and market share as well. Your Company has achieved total revenue amounting to Rs. 576.87 Crore on Standalone basis and the net Profit After Tax (PAT) has increased from Rs. 82.08 crore to Rs. 94.10 Crore recording an increase of 14.64%. While the total revenue on Consolidated basis amounts to Rs. 594.92 Crore; the net Profit After Tax (PAT) has increased from Rs. 81.51 Crore to Rs. 96.92 Crore recording an increase of 18.91 % in 2017-18.

I am even more proud of the fact that our success in business went hand in hand with our pursuit to conserve the environment and uplift the Society. Committed to ensuring sustainable development aligned to our Sustainable Development Goals 2030, the company has significantly reduced energy consumption, cut CO2 emissions and improved water positivity. Furthermore, the current year holds out exciting possibilities.

Understanding the fact that having a solid governance framework is the key to rebuilding trust and transparency, there has been a renewed focus on corporate governance during the past year and the Board has spent a significant proportion of its time examining and strengthening our processes throughout the Company.

Your Company has received the following Rewards and recognitions:

- GCI – Health & Safety Award for the year 2017.
- Excellence Award 2016 by The Employer's Association of Rajasthan
- Rajasthan State Award for Export Excellence by Government of Rajasthan, Commissioner Industries Department for financial year 2014-15.
- Rajasthan State Productivity Excellence Award for financial year 2014-15.

Apart from the above, your company has cleared the successfully transition of ISO 9001- QMS, ISO 14001- EMS in latest revision of QMS ISO 901:2015 and EMS ISO 14001:2015 in December, 2017.

The Company recognizes its obligations to act responsibly, ethically and with integrity in its dealings with employees, community, customers and the environment as a whole. At Mayur, we know that corporate responsibility is essential to our current and future success as a business. The Company believes it has the greatest opportunity to drive values through CSR initiatives in areas pertaining to Skill Development, Health, Education, Environmental sustainability, Rural development and has committed to improving the quality of life in communities in many years. You would be heartened to know that we adopted 120 Schools this year to develop as a "Model School" under our CSR initiatives.

In the years to follow, the Company shall in compliance with its CSR Policy and objectives thereof, focus its activities on promoting not just education and skill training, but also towards ensuring environmental sustainability and rural development. Needless to say, these activities directed towards promoting well-being in community and fostering sustainability are executed within the ambit of applicable laws and Mayur Group's vision and values.

We have ambitious goals and bold plans for 2018, and we shall strive to achieve them with a sense of purpose and belief. I would like to thank all the employees led by its management team, for their outstanding performance. As always I would like to thank our valued Customers, Suppliers, Bankers, Community, Society and all our Stakeholders including the Shareholders, for their continuous support in all our endeavours, the Board of Directors for their guidance and encouragement and their never-say-die attitude and commitment, all of which have contributed to the growth of this company of ours.

Standing tall for the past 25 years, we definitely have many more achievement-filled years to look forward to!!!

Thanks and Jai Hind

Best Regards,

Suresh Kumar Poddar  
Chairman & Managing Director & CEO

Place: Jaitpura (Jaipur)

Date: May 30, 2018

### 2. STATE OF COMPANY'S AFFAIRS AND PERFORMANCE

We are glad to inform that your company has celebrated 25<sup>th</sup> Anniversary (Silver Jubilee) of the Company during the year. Your company being one of the largest producers of the synthetic leather is having an installed capacity of 3.05 million linear meters per month. Mayur Uniquoters Limited ("Mayur") has been gearing the unearthed opportunities in the synthetic leather industry by increasing its installed capacities, adopting newer and latest technologies, newer innovations and development of new processes,

widened its product range and expending the marketing network. The major contributing factors towards the success of Mayur is its commitment to serve the customer and shareholders to their satisfaction.

During the financial year 2017-18, your Company has achieved total revenue on Standalone basis amounting to Rs. 576.87 Crore as compared to Rs. 534.91 Crore in previous financial year and net Profit After Tax (PAT) has increased from Rs. 82.08 Crore to Rs. 94.10 Crore recording an increase of 14.64% and total revenue on Consolidated basis amounting to Rs. 594.92 Crore as

compared to Rs. 531.77 Crore and net Profit After Tax (PAT) has increased from Rs. 81.51 Crore to Rs. 96.92 Crore recording an increase of 18.91 % in 2017-18.

### 3. DIVIDEND

Mayur has always strived to maintain a balance by providing an appropriate return to the Shareholders while simultaneously retaining a reasonable portion of the profit to maintain healthy financial leverage with a view to support and fund the future expansion plans. Mayur has a well defined dividend policy which ensures the availability of sufficient distributable income to its members as per regulation 43A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the regulations). The policy is attached as Annexure I to this report.

During the financial year 2017-18, the Board of Directors declared three interim dividends of Rs. 0.50/- , Rs. 0.25/- and 0.40/- per share of the face value of Rs. 5/- each in the month of August, 2017, November, 2017 and February, 2018 respectively, aggregating to Rs. 1.15/- per equity share (23%). Also, the Board at its meeting held on 30<sup>th</sup> May, 2018 has recommended a final dividend of Rs. 0.25/- per share of face value Rs. 5/- each (5%) and the same is subject to the approval of shareholders at the ensuing Annual General Meeting to be held on 27<sup>th</sup> July, 2018. The total final dividend pay-out will be Rs. 113.32 Lakhs excluding dividend distribution tax of Rs. 23.29 Lakhs.

### 4. TRANSFER TO RESERVES

The Board of Directors doesn't propose to transfer any amount to General Reserve for the financial year ended 31<sup>st</sup> March, 2018.

### 5. CHANGE IN CAPITAL STRUCTURE

During the year under review, the Company has completed its Buy Back Offer of 4,50,000 (Four Lakhs Fifty Thousand) fully paid up equity shares of Rs. 5/- each representing 0.98% of the total paid up equity share capital at a price of Rs. 550/- (Rupees Five Hundred and Fifty) per share for an aggregate amount of Rs. 24,75,00,000/- (Rupees Twenty Four Crore Seventy Five Lakhs).

Post buy back, the paid up equity share capital of the Company decreased from Rs. 22,88,88,000/- (Rupees

Twenty Two Crore Eighty Eight Lakhs Eighty Eight Thousand) consisting of 4,57,77,600 (Four Crore Fifty Seven Lakhs Seventy Seven Thousand Six Hundred) Equity Shares of Rs. 5/- (Rupees Five) each to Rs. 22,66,38,000/- (Rupees Twenty Two Crore Sixty Six Lakhs Thirty Eight Thousand) consisting of 4,53,27,600 (Four Crore Fifty Three Lakhs Twenty Seven Thousand Six Hundred) Equity Shares of Rs. 5/- each.

### 6. SUBSIDIARY COMPANY

The Company has the following Wholly Owned Subsidiary Company:

- Mayur Uniquoters Corp. (Texas USA)

Mayur Uniquoters Corp. (MUC) was incorporated in Texas, USA as a domestic for Profit Corporation under the provisions of Texas State Laws having its office at 1999, Bryan St. Suite 900, Dallas, Texas. MUC's main activity is to supply goods to OEM customer in USA on just in time basis. MUC is not engaged in any manufacturing activity except some job work processing which is based on customers' requirements.

Pursuant to the provisions of Section 129(3) of the Companies Act, 2013 (the Act) the Company has prepared consolidated financial statements which form part of this Annual Report. A separate statement containing salient features of the financial statements of the Company's subsidiary in prescribed form AOC-I is annexed as Annexure II to this report.

The audited financial statement including the consolidated financial statements of the Company and all other documents required to be attached thereto is available on the Company's website i.e. [www.mayuruniquoters.com](http://www.mayuruniquoters.com). The financial statement of the subsidiary company is available on the Company's Website i.e. [www.mayuruniquoters.com](http://www.mayuruniquoters.com). These documents will also be available for inspection on all working days, during business hours, at the Registered Office of the Company.

The Company is already having a policy for determining material subsidiaries and the same is available on Company's web link i.e. <http://www.mayuruniquoters.com/pdf/policy-on-material-subsiary.pdf>. There was no Company which has ceased to be Company's Subsidiary, Joint Venture or Associate Company during the financial year ended 31<sup>st</sup> March, 2018.

## 7. MATERIAL CHANGES & COMMITMENTS:

In pursuance to Section 134(3) (L) of the Companies Act, 2013, No material changes and commitments have occurred after the closure of the financial year to which the financial statements relate till the date of this report, affecting the financial position of the company.

## 8. MATERIAL ORDERS:

In pursuance to Rule 8 (5) (vii) of the Companies (Accounts) Rules, 2014, No significant or material orders were passed by the Regulators or Courts or Tribunals impacting the going concern status and company's operations in future.

## 9. PARTICULARS OF LOANS, GUARANTEES AND INVESTMENT

Pursuant to the provisions of Section 186 of the Act and Schedule V of the regulations, investments made are provided as part of the financial statements. There are no loans granted, guarantees given or issued or securities provided by your Company in terms of Section 186 of the Act, read with the Rules issued thereunder.

## 10. RELATED PARTY TRANSACTIONS

All Contracts / transactions / arrangements entered by the Company during the financial year with the Related Parties were in ordinary course of business and on an arm's length basis and in accordance with the provisions of the Companies Act, 2013, read with the Rules issued thereunder and the regulations. Further, there were no transactions with related parties which qualify as material transactions under the regulations.

All transactions with related parties were reviewed and approved by the Audit Committee. Prior omnibus approval of the Audit Committee has been obtained for the transactions which are of repetitive nature. The transactions entered into pursuant to the omnibus approval so granted along with a statement giving details of all related party transactions was placed before the Audit Committee on quarterly basis, specifying the nature, value and terms and conditions of the same. The Company has made transactions with related parties pursuant to Section 188 of the Act. The particulars of material contracts or arrangements with related parties referred to in sub-section (1) of section 188 of the Companies Act, 2013

in the Form AOC-2 is annexed herewith as Annexure 'III'.

The Company has formulated a policy on materiality of related party transactions and also on dealing with Related Party Transactions which has been uploaded on the Company's website at the web link <http://www.mayuruniquoters.com/pdf/related-party-transaction-policy.pdf>.

## 11. CREDIT RATING

- (iii) Mr. Shyam Agrawal was appointed as an Additional Director (Independent) w.e.f. 26<sup>th</sup> March, 2018 and it is proposed to appoint him as an Independent Director at the ensuing AGM, for a period of five years commencing from 26<sup>th</sup> March, 2018.
- (iv) Mr. Ratan Kumar Roongta was appointed as Independent Director by Shareholders in the 24<sup>th</sup> AGM of the Company for a term of 5 years w.e.f. 28<sup>th</sup> September, 2016.
- (v) Necessary resolutions for the appointment/re-appointment of aforesaid directors, wherever applicable, have been incorporated in the notice convening the ensuing AGM. As required under the regulations and Secretarial Standards on General Meetings issued by ICSI, the relevant details of directors retiring by rotation and/or seeking appointment/re-appointment at the ensuing AGM are furnished as Annexure A to the notice of AGM.

**(b) Key Managerial Personnel (KMP)**

- (i) Mr. Brahm Prakash Kumar, Company Secretary & Compliance Officer resigned w.e.f. 17<sup>th</sup> April, 2018.
- (ii) Mr. Rahul Joshi was appointed as Company Secretary and Compliance Officer of the Company w.e.f. 18<sup>th</sup> April, 2018.

**14. DECLARATION BY INDEPENDENT DIRECTORS**

All Independent Directors of the Company have given declaration that they meet the criteria of independence as provided under Section 149 (6) of the Act and the regulation 16(1) (b) of the regulations. The terms & conditions for the appointment of Independent Directors are given on the website of the Company.

**15. FAMILIARIZATION PROGRAMME FOR INDEPENDENT DIRECTORS**

In compliance with the requirements of the act and the regulations, the Company has put in place a familiarization programme for the Independent Directors to familiarize them with their role, rights, and responsibility as directors, the working of the Company, nature of the industry in which the

Company operates, business model etc. The details of such familiarization programmes imparted to Independent Directors are posted on the website of the Company and can be accessed at <http://www.mayuruniquoters.com/pdf/details-of-familiarization-programme-imparted.pdf>

**16. FORMAL ANNUAL EVALUATION**

Pursuant to the provisions of the act, the Board of Directors has carried out an annual performance evaluation of its own performance, board committees and individual directors. The performance of the Board was evaluated by the board after seeking inputs from all the directors on the basis of criteria such as the Board composition and structure, effectiveness of board processes, manner of conducting the meetings, value addition of the Board members and corporate governance etc. as provided in the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India on 5<sup>th</sup> January, 2017.

The performance of the committees was evaluated by the Board after seeking inputs from the committee members on the basis of criteria such as the composition of committees, manner of conducting the meetings, value additions made by the members of the committees, effectiveness of committee meetings, etc. The Board and the Nomination and Remuneration Committee reviewed the performance of individual directors on the basis of criteria such as the contribution of the individual director to the Board and committee meetings like attendance of the directors in the meetings, their contribution & inputs, qualification and expertise etc.

**17. AUDITORS AND AUDITORS' REPORT**

**(a) Statutory Auditors**

M/s. Price Waterhouse Chartered Accountants LLP (FRN 012754N/N500016) the Statutory Auditor of the Company were appointed at 24<sup>th</sup> Annual General Meeting (AGM) of the Company held on 27<sup>th</sup> July, 2017 for a period of five years, subject to the ratification at every AGM held after 24<sup>th</sup> AGM.

As per the provisions of Section 40 of the Companies (Amendment) Act, 2017 there is no requirement for ratification of appointment of

statutory auditor at every AGM of the Company and therefore, it is not required to ratify the appointment every year.

The Auditors in their report for the financial year 2017-18 have given qualified opinion and the response of your directors with respect to it is as follows:

No impact is envisaged by the management since the Company has complied with relevant laws and regulation and statutory auditors have commented upon quality of audit evidence i.e. Company has deployed manual control instead of automated control with respect to time booking records of worker.

The Company is in the process of exploring a comprehensive automated attendance recording system to capture and maintain sufficient details including time worked by its own as well as contractual workers. Based on the current practice followed by the Company and available manual records, the Company's management is of the view that it has complied with the Payment of Wages Act, 1936 and other applicable labour laws.

**(b) Secretarial Auditor**

Pursuant to provisions of Section 204 of the Act and rules made thereunder, M/s. V.M. & Associates, Company Secretaries in Practice, (FRN P1984RJ039200), was appointed as Secretarial Auditor to conduct the secretarial audit of the Company for the financial year 2017-18.

An Audit Report issued in form MR-3 by M/s. V.M. & Associates, Company Secretaries, Jaipur in respect of the secretarial audit of the Company for the financial year ended 31<sup>st</sup> March, 2018, is attached as Annexure IV to this Report. The report doesn't contain any reservation, qualification or adverse mark except the following comment:

"During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. as mentioned above except expense on CSR activities below the prescribed limit".

**Board's Explanation for shortfall amount spent on CSR Activities**

In terms of CSR Policy of the Company, during the financial year 2017-18 the company has spent 77.42% of the available funds in CSR Activities, utilized for long term multiyear projects or programmes and balance amount should be spent on the projects or programmes with short term objectives. In addition to existing multi-year projects, the Company has identified long term project of construction of Schools in remote rural backward areas of Jaipur. Skill Development of rural youth, Education is believed to be the stepping stone to improve the quality of life, especially for the poor and the most vulnerable. The ideology behind the "Project Mayur-education" lies in the very essence of transforming lives through continuous generation of knowledge and empowerment. Therefore, Company has earmarked funds in line with its Policy as well as prescribed CSR Expenditure. However, the implementation of such project will commence in FY 2018-19 as the Company is under process of formulating implementation plan and taking various approvals required in this regards. The Company has incurred CSR Expenditure during the year under review in line with CSR Policy of the Company. The Company has changed lives of many people across the district with its various social initiatives since many years. It is the Company's continuous endeavour to increase its CSR impact and spend over the coming years, supplemented by its continued focus towards sustainable development and responsible infrastructure.

The Board has re-appointed M/s.V.M.&Associates, Company Secretaries in Practice, Jaipur as Secretarial Auditor of the Company to carry out Secretarial Audit of the Company for the financial year 2018-19.

**(c) Cost Auditor**

In accordance with the provisions of Section 148 of the Act and rules made thereunder, the Board of Directors of the Company appointed M/s. Pavan Gupta & Associates, Cost Accountants,

Jaipur (FRN 101351), as the Cost Auditor of the Company for the financial year 2017-18.

The Company has received Cost Audit Report on the cost accounts of the Company for the financial year ended 31<sup>st</sup> March, 2018 and the same will be submitted to the Central Government in due course.

The Board has re-appointed M/s. Pavan Gupta & Associates, Cost Accountants (FRN 101351) as Cost Auditor to conduct the audit of cost records of your Company for the financial year 2018-19. The payment of remuneration to Cost Auditor requires the approval/ratification of the members of the Company and necessary resolution in this regard, has been included in the notice convening 25<sup>th</sup> AGM of the Company.

#### **(d) Internal Auditor**

Mr. Ashish Jain, Internal Auditor of the Company has resigned w.e.f. 17<sup>th</sup> November, 2017.

In accordance with the provisions of Section 138 of the Act and rules made thereunder, the Board of Directors of the Company has appointed M/s. S. Bhandari & Co., Chartered Accountants, (FRN: 000560C) as an Internal Auditor to conduct the Internal Audit of the Company w.e.f. 18<sup>th</sup> November, 2017 to conduct Internal Audit from 1<sup>st</sup> October, 2017.

### **18. BOARD'S COMMITTEES**

The Board of Directors of the Company constituted the following Committees:

- a) Audit Committee
- b) Corporate Social Responsibility Committee
- c) Nomination & Remuneration Committee
- d) Stakeholders Relationship Committee

The Committees' composition, charters and meetings held during the year and attendance thereat, are given in the Report on Corporate Governance forming part of this Annual Report.

### **19. PREVENTION OF INSIDER TRADING**

Pursuant to the provisions of the regulations, the Board has formulated and implemented a Code of Conduct

to regulate, monitor and report trading by its employees and other connected persons and Code of Practices and Procedures for fair disclosure of Unpublished Price Sensitive Information. The same is available on the Company's website i.e. <http://www.mayuruniquoters.com/pdf/mayur-uniquoters-limite-code-of-conduct-amendec.pdf>.

### **20. VIGIL MECHANISM/WHISTLE BLOWER POLICY**

The Company established a Whistle Blower Policy to deal with the cases of unethical behaviour in all its business activities, fraud, mismanagement and violation of Code of Conduct of the Company. The policy provides systematic mechanism to report the concerns and adequate safeguards against the victimization if any. The policy is available on the website of the Company i.e. <http://www.mayuruniquoters.com/pdf/mul-whistle-blower-policy.pdf>

During the year, no whistle blower event was reported and mechanism is functioning well. No personnel have been denied access to the Audit Committee.

### **21. CORPORATE SOCIAL RESPONSIBILITY (CSR)**

The Company has CSR Policy in place and the same can be accessed at <http://www.mayuruniquoters.com/pdf/csr-policy.pdf>

The Annual Report on CSR activities is annexed herewith as Annexure V to this report. The Company has contributed a sum of Rs. 173.42 Lakhs towards CSR activities during the financial year 2017-18. The justification for the shortfall amount spent on CSR activities has been provided under point no. 15(b) of this report and also in Annual Report on CSR.

### **22. RISK MANAGEMENT POLICY**

The Company has framed and implemented a Risk Management Policy to identify the various business risks. This framework seeks to create transparency, minimize adverse impact on the business objectives and enhance the Company's competitive advantage. The Risk Management Policy defines the risk management approach across the enterprise at various levels including documentation and reporting.

### **23. DISCLOSURE UNDER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013**

In order to prevent sexual harassment of women at work place "The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013" was notified on 9<sup>th</sup> December, 2013, under the said Act, every Company is required to set up an Internal Complaints Committee to look into complaints relating to sexual harassment at work place of any women employee.

In terms of the provisions of the Sexual Harassment of Women at the workplace (Prevention, Prohibition and Redressal) Act, 2013, the Company adopted a policy for prevention of Sexual Harassment of Women at workplace and also set up an Internal Complaints Committee to look into complaints relating to sexual harassment at work place of any women employee. ## DIVIDEND DISTRIBUTION POLICY

### 1. Introduction:

The Securities and Exchange Board of India (“SEBI”) notified the SEBI (Listing Obligations and Disclosure Requirements)(Second Amendment) Regulations 2016, (“the Listing Regulations”) on 8<sup>th</sup> July, 2016 and inserted Regulation 43(A) Dividend Distribution Policy in the Listing Regulations which requires top five hundred listed Companies based on market capitalization (calculated as on March 31 of every financial year) to formulate a Dividend Distribution Policy (the policy) which is required to be disclosed in its Annual Report and on its website.

Accordingly, being one of the top five hundred listed Company as per criteria given herein above, the Board of Directors (the Board) of “Mayur Uniquoters Limited” (the Company) at its meeting held on 29<sup>th</sup> May, 2017 has approved and adopted the policy.

### 2. Purpose and Scope:

The Company has a very good track record of being an investor friendly Company as it is committed to driving value creation for all its shareholders. The policy set outs the principles and factors which would guide the Board of Directors of the Company in taking decisions with regard to declaration and distribution of dividend and thereby providing transparency to its shareholders. The policy reflects the intent of the Company to reward its shareholders by sharing a portion of its profits after retaining enough funds for the growth of the Company thus maximizing shareholders’ value.

### 3. Interpretation:

The words and expressions used and not defined in this policy but defined in the Companies Act, 2013 or rules made there under or the Securities and Exchange Board of India Act, 1992 or regulation made there under or Depositories Act, 1996 shall have the same meanings respectively assigned to them in those acts, rules and regulations.

### 4. Procedure and Policy:

**(I) The circumstances under which the shareholders of the listed entities may or may not expect dividend:**

Since the dividend payout is the amount of profit to be distributed among the shareholders and is a vital decision, the Board shall take into account various financial requirements (present and future) of the Company and other relevant factors mentioned in this policy before recommending or declaring the dividend during any period. The dividend shall be recommended by the Board subject to the approval of the members except for interim dividend which shall be declared by the Board. The Members can reduce the dividend recommended by the Board but cannot enhance the same.

The shareholders of the Company may not expect dividend under the following circumstances:

- (a) When the Company needs high working capital for the operations of the Company;
- (b) If profits are inadequate or in the event of loss;
- (c) If the Company proposes to utilize the surplus cash for buy back of shares of the Company;
- (d) If the Company undertakes or proposes to undertake any expansion, acquisitions, joint ventures, amalgamation, merger or new product launch which requires high capital allocation or outflow;
- (e) The Board is of opinion that the Company, after dividend payment, would be unable to pay its liabilities or discharge its obligations as and when they become due.

**(II) The financial parameters and factors that shall be considered while declaring dividend:**

The Board would take into account, inter alia, the following financial parameters and factors before recommending or declaring dividend to the shareholders:

**(A) Financial Parameters and Internal Factors:**

- (a) Net sales
- (b) Profits earned during the period

- (c) Profits available for distribution
- (d) Earning Per Share (EPS)
- (e) Net operating cash flow
- (f) Previous dividend trends
- (g) Working capital requirements
- (h) Outstanding borrowings
- (i) Capital expenditure requirements including additional investment in Subsidiaries
- (j) Business expansion and growth
- (k) Business Policy
- (l) Any corporate action affecting availability of cash
- (m) Any other item which may have a financial impact of the Company.

**(B) External Factors:**

- (a) The applicable legal requirements including tax laws
- (b) Government policies, industry specific rulings and regulatory provisions
- (c) State of economy
- (d) Dividend payout ratio in the same Industry.

**(III) Utilization of retained earnings:**

Retained earnings shall be used for corporate actions in accordance with the applicable laws and for investment for the growth of the business.

**(IV) Parameters which shall be adopted with respect to various classes of shares:**

Presently, the authorised share capital of the Company is divided into equity share of Rs. 5/- each and preference shares of Rs. 400/- each and the issued and paid-up share capital of the Company comprises only equity shares.

The Company shall first declare dividend on outstanding preference shares, if any, at the rate of dividend fixed at the time of issue of preference shares and thereafter, the dividend would be declared on equity shares.

As and when the Company issues other kind of shares, the Board of Directors may suitably amend this policy

**5. Disclosure:**

The Policy shall be disclosed in the Annual Report and on the website of the Company i.e. [www.mayuruniquoters.com](http://www.mayuruniquoters.com).

**6. Amendment:**

The Board of Directors may review and amend the abovementioned policy from time to time in accordance with the applicable laws. Any subsequent notification, circular, guidelines or amendments under Listing Regulation and other applicable laws as may be issued from time to time shall be mutatis mutandis applicable without further modification or amendment in this policy.

 Jaipur - 303 704 (Rajasthan).

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Mayur Uniquoters Limited** (hereinafter called "**the Company**"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2018 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; **(Not applicable to the Company during the Audit Period)**
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; **(Not applicable to the Company during the Audit Period)**
  - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; **(Not applicable to the Company during the Audit Period)**
  - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not applicable to the Company during the Audit Period)**
  - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
  - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not applicable to the Company during the Audit Period)**

- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; and
  - (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015
- (vi) As confirmed by the management, there are no sector specific laws that are applicable specifically to the company.

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India;
- ii. The Listing Agreements entered into by the Company with BSE Ltd. and National Stock Exchange of India Limited.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above **except expense on CSR activities below the prescribed limit.**

**We further report that**

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance. Further, independent director(s) were present at Board Meetings which were called at shorter notice to transact business which were considered urgent by the management in compliance of Section 173(3) of the Act. A system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

**We further report that** there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

**We further report that** during the audit period the company has bought back 4,50,000 (Four Lakh Fifty Thousand) equity shares of Rs. 5/- (Rupees Five only) each at a price of Rs. 550/- (Rupees Five Hundred and Fifty Only) per share in accordance with the provisions of the Act and The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998.

## **6. Justification for Shortfall:**

In terms of CSR Policy of the Company, during the financial year 2017-18 the Company has spent 77.42% of the available funds for CSR Activities, utilized for long term multiyear projects or programmes and balance amount should be spent on the projects or programmes with short term objectives. In addition to existing multi-year projects, the Company has identified long term project of construction of Schools in remote rural backward areas of Jaipur. Skill Development of rural youth, Education is believed to be the stepping stone to improve the quality of life, especially for the poor and the most vulnerable. The ideology behind the "Project Mayur-education" lies in the very essence of transforming lives through continuous generation of knowledge and empowerment. Therefore, Company has earmarked funds in line with its Policy as well as prescribed CSR Expenditure. However, the implementation of such project will commence in FY 2018-19 as the Company is under process of formulating implementation plan and taking various approvals required in this regards. The Company has incurred CSR Expenditure during the year under review in line with CSR Policy of the Company. The Company has changed lives of many people across the district with its various social initiatives since many years. It is the Company's continuous endeavour to increase its CSR impact and spend over the coming years, supplemented by its continued focus towards sustainable development and responsible infrastructure.

- 7.** It is hereby confirmed that the implementation and monitoring of the CSR Policy, is in compliance with CSR objectives and policy of the Company.

## PARTICULARS REQUIRED UNDER SECTION 134(3)(M) OF THE COMPANIES READ WITH THE COMPANIES (ACCOUNTS) RULES, 2014

### (A) Conservation of Energy

- (i) the steps taken or impact on conservation of energy;

The Company is continuously engaged in the process of energy conservation & strives to make the plant energy efficient. Energy conservation dictates how efficiently a company can conduct its operations and reduce the cost of production thereby increasing the profitability benefitting the Company as well as its customer.

Mayur recognize the importance of energy conservation in decreasing the deleterious effects of global warming and climate change. The Company has undertaken various energy efficient practices and is committed to become an environment friendly organisation. The dedicated team of professional is focusing on energy conservation across all manufacturing sites.

- Coating line 6<sup>th</sup> from ISOTEX, Italy is of wider width of 2 meters which has resulted increased production with the fixed cost remaining the same.
- Incorporating new technology in the air-conditioning system in upcoming facilities to optimize power consumption and identification and replacement of low efficient machines (AC) in the phased manner.
- Identification and replacement of old inefficient motors with high efficient motors in the phased manner.
- Identification and replacement old copper chock tubelites with energy efficient fluorescent tubelite with electronic blast.
- Transparent sheets has been fixed at the roof top in the plants to improve the day light availability and reduce the energy consumption.

- Hot air is recycled in the oven at the coating line to reduce the energy consumption, thereby reducing the cost of production and increase the profitability.

- (i) the steps taken by the company for utilising alternate sources of energy: None
- (ii) the capital investment on energy conservation equipments: NIL

### (B) Technology Absorption

- (i) the efforts made towards technology absorption;
- The Company realizes that in order to stay competitive and avoid obsolescence, it will have to invest in technology across multiple product line and have to introduce the new products in line with the demand of the customers. In order to maintain its position of leadership, your Company has continuously and successfully developed state-of-the-art technology and methods for absorbing, adapting and effectively developing new products.

Hence, the Company is making every effort to develop products to meet the changing demand of the public at large.

Efforts made towards technology absorption, adaptation and innovation: Company lays greater emphasis on technology absorption and innovations as the Company is engaged in the business marked with rapid technology changes and obsolescence. The Company strives to keep pace with the rapid changes adopt new technologies periodically to be in line with competitive market conditions. The Company has installed the state of art fully automatic 6<sup>th</sup> coating line from ISOTEX, Italy in addition to the fully automatic Kitchen, Laboratory, embossing machine, inspection at the Dodhsar. Plant which has resulted in reduction the cost of production. The Company continuously strives to adopt latest technology for

improving productivity, quality and reducing consumption of scarce raw material, energy and other inputs.

- (ii) the benefits derived like product improvement, cost reduction, product development or import substitution;

The adoption of the latest technology and innovative ideas has enabled your company to have an edge on others due to highly productivity, better services and increased consumer confidence. It also has enabled the Company so as to explore new areas of generating the revenue. Huge savings have been accomplished in cost on power and fuel, wastage, better inventory management and reduce one process. It has also lead to reduction in the water and air pollution.

- (iii) in case of imported technology (imported during the last three years reckoned from the beginning of the financial year): NA

- (a) the details of technology imported;  
 (b) the year of import;  
 (c) whether the technology been fully absorbed;  
 (d) if not fully absorbed, areas where absorption has not taken place, and the reasons thereof; and

- (iv) the expenditure incurred on Research and Development.

## NOMINATION AND REMUNERATION POLICY

### 1) Purpose of this policy:

Mayur Uniquoters Limited (The “Company “) has adopted this policy on appointment and remuneration of directors, Key Managerial personnel, and senior management as required by the section 178 of the Companies Act, 2013. The purpose of this policy is to establish the process for:

- a) To fix qualification, terms and conditions of the person who are qualified to become a Director (Executive and Non-Executive) and persons who may be appointed in Senior Management and Key Managerial positions.
- b) To determine remuneration based on designation, experience and financial position of the Company, industry trends and practices on remuneration prevailing in peer companies.
- c) To carry out evaluation of the performance of Directors, as well as Key Managerial personnel and Senior Management Personnel.
- d) To provide reward linked directly to their effort, performance, dedication and achievement relating to the Company’s operations.
- e) The remuneration to Directors, Key Managerial Personnel and Senior Management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.
- f) To retain, motivate and promote talent and to ensure long term sustainability of talented managerial persons and create competitive advantage.

### 2) Definitions:

- a) Board: means Board of Directors of the Company.
- b) Directors: means Directors of the Company.
- c) Committee: means Nomination and Remuneration Committee of the Company as constituted or reconstituted by the Board.

- d) Independent Director: means a director referred to in Section 149 (6) of the Companies Act, 2013.
- e) Key Managerial Personnel (KMP):
  - i) Executive Chairman and / or Managing Director
  - ii) Whole Time Director;
  - iii) Chief Financial Officer;
  - iv) Company Secretary;
  - v) Such other officer as may be prescribed under the applicable statutory provisions / regulations.
- f) Senior Management: means all members of core management team one level below the executive directors including all functional heads.

### 3) Composition of Remuneration committee:

The composition of the committee shall be in compliance of the Companies Act, Rules made thereunder and the clause 49, as amended from time to time.

### 4) Policy Parts:

This policy is divided in three parts:

- a) “Part I”: Cover the role of remuneration committee and matter to be recommended to the Board.
- b) “Part II”: Cover appointment, removal criteria and qualification
- c) “Part III”: Cover the Remuneration and Perquisites of Managing/Whole Time Director, KMPs and Senior Management

### 5) “Part I”:

Role of Remuneration committee and matters to be recommended to the Board:

The committee shall:

- a) Formulate the criteria for determining qualifications, positive attributes and independence of a Director.

- b) Identify persons who are qualified to become Director and persons who may be appointed in Key Managerial and Senior Management positions in accordance with the criteria laid down in this policy.
- c) Recommend to the Board, appointment and removal of Director, KMP and Senior Management Personnel.

## 6) "Part II":

Appointment and removal of Director, KMP and Senior Management:

### a) Appointment criteria and qualification:

- i) The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or at Senior Management level and recommend to the Board his/her appointment.
- ii) A person should possess adequate qualification, expertise and experience for the position he/she is considered for appointment. The Committee has discretion to decide whether qualification, expertise and experience possessed by a person is sufficient /satisfactory for the concerned position.
- iii) The Company shall not appoint or continue the employment of any person as Whole time Director who has attained the age of seventy five years. Provided that the term of the person holding this position may be extended beyond the age of seventy five years with the approval of shareholders by passing a special resolution based on the explanatory statement annexed to the notice for such motion indicating the justification for extension of appointment beyond seventy years.

### b) Term / Tenure

- i) The Company shall appoint or re-appoint any person as its Executive Chairman, Managing Director or Executive Director for a term not exceeding five years at a time. No re-appointment shall be made earlier than one year before the expiry of term.

- ii) An Independent Director shall hold office for a term up to five consecutive years on the Board of the Company and will be eligible for re-appointment on passing of a special resolution by the Company and disclosure of such appointment in the Board's report.
- iii) No Independent Director shall hold office for more than two consecutive terms, but such Independent Director shall be eligible for appointment after expiry of three years of ceasing to become an Independent Director. Provided that an Independent Director shall not, during the said period of three years, be appointed in or be associated with the Company in any other capacity, either directly or indirectly. However, if a person who has already served as an Independent Director for 5 years or more in the Company as on 1<sup>st</sup> April, 2014 or such other date as may be determined by the Committee as per regulatory requirement, he/she shall be eligible for appointment for one more term of 5 years only.
- iv) At the time of appointment of Independent Director it should be ensured that number of Boards on which such Independent Director serves are restricted to seven listed Companies and three listed companies as an Independent Director in case such person is serving as a Whole-time Director of a listed company.
- c) Evaluation: The Committee shall carry out evaluation of performance of every Director, KMP and Senior Management Personnel at regular interval (yearly).
- d) Removal: Due to reasons for any disqualification mentioned in the Companies Act, 2013, rules made thereunder or under any other applicable Act, rules and regulations, the Committee may recommend, to the Board with reasons recorded in writing, removal of a Director and KMP subject to the provisions and compliance of the said Act, rules and regulations.

- e) Retirement: The Director and KMP shall retire as per the applicable provisions of the Companies Act, 2013 and the prevailing policy of the Company. The Board will have the discretion to retain the Director, KMP, Senior Management Personnel in the same position / remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

## 7) "PART III":

The Remuneration and Perquisites of Managing/Whole Time Director, KMP and Senior Management

- a) The remuneration/compensation/commission etc. to the Whole-time Director, KMP and Senior Management Personnel will be determined by the Committee and recommended to the Board for approval. The remuneration/compensation/commission etc. shall be subject to the prior/post approval of the shareholders of the Company and Central Government, wherever required.
- b) The Executive/Whole Time Directors shall be paid salary keeping in view the overall permissible managerial remuneration as per section 197 of the companies Act, 2013.
- c) Increments: to the existing remuneration/compensation structure may be recommended by the Committee to the Board which should be within the slabs approved by the Shareholders in the case of Whole Time Director. Increments will be effective from 1<sup>st</sup> April in respect of a Whole Time Director and other employees of the Company.
- d) Minimum Remuneration: If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay remuneration to its Whole Time Director in accordance with the provisions of Schedule V of the Companies Act, 2013 and if it is not able to comply with such provisions, with the previous approval of the Central Government.
- e) Provisions for excess remuneration: If any Whole Time Director draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the

Companies Act, 2013 or without the prior sanction of the Central Government, where required, he/she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

- f) Remuneration to Non-Executive/Independent Directors: The Non-Executives Directors shall be paid sitting fee for attending the Board and committee meetings, if authorised by the Nomination and Remuneration committee of the Company, provided that the amount of such fees shall not exceed Rs. One Lakh per meeting of the Board or Committee or such amount as may be prescribed by the Central Government from time to time. In addition to the above the Directors shall be paid for travel and accommodation expenses in connection with board / committee or any other meetings of the Company.
- g) Commission: Commission may be paid within the monetary limit approved by shareholders, subject to the limit not exceeding 1% of the profits of the Company computed as per the applicable provisions of the Companies Act, 2013.
- h) Stock Options: An Independent Director shall not be entitled to any stock option of the Company.
- i) General principles for the remuneration of the Executive / Whole Time Director/Key Managerial Personnel and Others:
  - i) To compensate all executives adequately so as to attract, retain and motivate the best talents at all levels.
  - ii) In order to attract and retain managerial expertise, the elements of the remuneration of the members of the Executive Board / Key Managerial Personnel and Senior Management Personnel shall be determined on the basis of their performance and ensure that there is minimum disparity between compensation level of existing and new employees, work they do and the value they create as well as of the conditions in other companies.

- iii) To compensate the employees for updating themselves with the changing requirements of the business and laws and enhance their capabilities for the benefit of the organisation for attending skill development programmes and courses.
- iv) Composition of Remuneration: The compensation package is divided into two sections, each element of the remuneration has been weighted in order to ensure a continuous positive development of the Company both in the short and long-term.

(1) Fixed salary, allowances

- a) Basic Salary: The basic for all new recruitment shall be decided based on negotiations. At the time of recruitment, HRD will ensure that the salary is within the pay zone of that particular grade in which the executive is recruited. Subsequent changes in the basic salary will be effected only at the time of an annual increment.
- b) Monthly Allowances: These include allowances paid on monthly basis:
- c) House Rent Allowance: For all grades, HRA will be 60% of the basic in metros and 50% in non-metro (for existing executives in grade 5 and above whose HRA is 60% of basic in non-metro, the HRA will be brought down to 50% of basic and the differential amount will be added in the Special Allowance)
- d) Conveyance Allowance: This is a fixed amount as per grade. It is provided for travel to and from the place of residence to work.
- e) Special Allowance: This is variable component of the salary and is decided on case to case basis, depending upon the individual candidate.

(2) Perquisites:

- a) Medical Reimbursement Facility: Medical reimbursement is paid to executives for medical treatment and health checkups for self and family.

- b) Leave Travel Assistance: This is a fixed amount as per grade and applicable to all executives. It is provided as financial assistance for travel to any place in India for the executive and his/her family while on leave.
- c) Retrial Funds: This includes Provident Fund, Gratuity and Leave encashment payable to any employee, and will be governed by the rules of the individual funds/Company policy as appropriate.
- d) Vehicle Facility

(3) Annual performance bonus:

It is a variable incentive awards. In order to encourage common goals of the Company and the shareholders of the Company and to meet the short- as well as long-term goals, the Board considers it appropriate that incentive programmes exist for the Executive Director and Senior Management Personnel of the Company. Such incentive programmes may comprise any form of performance bonus, etc.

General terms of annual bonus arrangements.

Annual bonus arrangements are one-year bonus schemes. The annual bonus payments are conditional upon compliance in full or in part with the terms and targets defined by the Company and payable to the employees who are in service / extension at the time of declaring the bonus

(4) Other incentive arrangements in the form of Promotions:

- a) A promotion is a career opportunity for an employee that involves greater responsibilities, and may also involve an increase in salary, and a change in title.
- b) Employee has to complete at least a minimum of 1 year prior to being eligible for any kind of Promotion.

**DISCLOSURE UNDER SECTION 197(12) OF THE COMPANIES ACT, 2013 READ WITH RULE 5(I) OF THE COMPANIES (APPOINTMENT AND REMUNERATION OF MANAGERIAL PERSONNEL) RULES, 2014**

- (i) The percentage increase in the remuneration of each director and the ratio of the remuneration of each director to the median remuneration of the employees of the Company:

Sr. No.	Name of the Director	Designation	Remuneration for the financial year 2017-18 (Rs. In Lakhs)	% increase of the remuneration in financial year 2017-18	Ratio of remuneration to median remuneration of the employees
1	Mr. Suresh Kumar Poddar	Chairman & Managing Director & CEO	159.12	3.39%	54.31
2	Mr. Arun Kumar Bagaria	Executive Director	113.09	12.50%	38.60

The median remuneration of the employees of the Company as on 31<sup>st</sup> March, 2018 was Rs. 2.93 Lakhs.

- (ii) The percentage increase in the remuneration of KMP:

Sr. No.	Name of the KMP	Designation	Remuneration for the financial year 2017-18 (Rs. In Lakhs)	% increase of the remuneration in financial year 2017-18	Ratio of remuneration to median remuneration of the employees
1	Mr. Guman Mal Jain	Chief Financial Officer	30.52	6.71%	10.42
2	Mr. Brahm Prakash*	Company Secretary	17.40	NA	5.94

- (iii) The percentage increased in the median remuneration of employees is 8.28 %
- (iv) The total number of permanent employees on the rolls of the Company: 400
- (v) The average percentile increase already made in the salaries of the employees other than the managerial personnel in the financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the remuneration.
- Average increase in the remuneration of all employees excluding KMP is 7.74 %.
  - Average increase in the remuneration of KMP is 6.96 %.
  - Increase in salary is based on the Company's performance, individual performance, inflation, prevailing industry trends and benchmarks.
- (vi) It is hereby affirmed that the remuneration is as per the remuneration policy of the Company.

\* Mr. Brahm Prakash has resigned w.e.f. 17<sup>th</sup> April, 2018.

# MANAGEMENT DISCUSSION AND ANALYSIS REPORT

## OVERVIEW

The Company's ("Mayur Uniquoters Limited" or "Mayur") financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') complying with the requirements of the Companies Act, 2013 and guidelines issued by the Securities and Exchange Board of India ('SEBI'). This Report should be read in conjunction with the Company's financial statements, the schedules and notes thereto and the other information included elsewhere in the Report.

This report is an integral part of the Board's Report. Aspects on industry structure and developments, opportunities and threats, outlook, risks, internal control systems and their adequacy, material developments in human resources and industrial relations have been covered in the Board's Report.

This financial year, there have been a significant number of changes with the implementation of Ind AS to our Company. What has not changed however is the unique ability of our organization to continue to lead Synthetic Leather Industry.

## INDUSTRIAL STRUCTURE AND DEVELOPMENTS

Synthetic or Artificial Leather, also known as bicast leather is a fabric made of artificial materials such as polyurethane (PU), polyvinylchloride (PVC) and other bio-based materials, which are processed, dried and heated to resemble real leather. The Synthetic Leather is used as a substitute for real leather in diverse end uses including, clothing, footwear, car upholstery, furniture and fabric, among others. It is majorly used in applications where a leather-like finish and appearance is required but the real leather is cost intensive and slaughtering animal is another major reason.

This type of leather-like material is one of the most durable materials on the market. It is preferable and advantageous over real leather. The major end user of synthetic leather includes footwear, furniture, automotive, clothing, and accessories, among others.

With the World Economy gaining momentum demand for automobile is increasing. The rising cost of manufacturing in other parts of the world is driving the big automobile giants to India as the hub of their manufacturing facility to meet their export demand.

PU leather has good elasticity, high tensile strength, and a three-dimensional structure. It is soft as well as resistant to solvents and abrasion. These properties have played a major role in increasing the product's market penetration in leather goods, footwear, and furnishing sectors. High price of natural leather is also a critical factor that has propelled the need for its alternatives.

## OUTLOOK:

The Artificial Leather industry holds a prominent place in the Indian Economy. It is used in cars, trucks, motorcycles, buses, and agricultural vehicles as it is lighter than animal hide. High elasticity enables comfort and develops resistance against hot & cold temperatures, alcohol and water. It also increases the durability and eases the maintenance. Polyurethane is majorly used in automotive as it is softer and does not give a sticky feel like an animal skin provides. Thus, owing to these advantages OEM manufacturers prefer it over real leather for applications in this segment, which in turn is working in favour of the growth of your company.

Automotive and Footwear industry being the end user of Synthetic leather impacts the industry in many ways. The growing demand from these two industries is expected to drive the synthetic leather market which will result in dual growth in next 5 years. The deregulation of FDI in Automotive sector has also helped foreign companies to make large investments in India which allows 100 per cent FDI under the automatic route.

With the Rise in the living standard, the demand for the premium and value added products are continuously increasing. Mayur being the prominent player of the industry is driving 50 % and 35 % of its revenue respectively from footwear and automotive segments only.

Mayur always hold a better position over its competitors. Mayur's Key Customers are recession resilient and the company cater players like Maruti, Mahindra, TATA, ISUZU, Honda, LML Vespa, Suzuki, Sonalika Tractor, General Motors, Lear, Ts Tech Sun, Krishna Maruti, Bharat Seat, S.I. Interpact Group, Sharda Motors, Swaraj Auto, Polor Auto, Renault, Volkswagoan, Hero, Bajaj, Piaggio etc. among automotives and Bata, Action, Lancer, Relaxo, Paragon, VKC Group etc. among footwear segment.

## **OPPORTUNITIES AND THREATS**

### **OPPORTUNITIES:**

- Market Potential-There is lot of scope for improvement, alteration or changing or creating new Products. Scope for diversification into other products, mainly, leather goods and furnishing is very high.
- Exposure to export markets
- Exporter-friendly government policies.
- Growing international and domestic markets
- Advantages over Pure Leather
- Growing fashion consciousness globally
- Comfortable availability of raw materials and other inputs.
- Growing Demand from the Footwear and Automotive Industry

### **THREATS:**

- Dependency on Footwear and Automotive Industry
- Increase in competition.
- Increase in raw material prices.
- Harmful environmental effects of the processing of PVC and is a major restraint for the market.
- Customer & Geographical concentration
- Exposure to foreign exchange

## **SEGMENT-WISE PERFORMANCE**

The Company deals only in one segment i.e. manufacturing and sale of PU/PVC Synthetic Leather; hence, accordingly there is only single reportable segment.

## **FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE**

The overview of financial Performance of the Company can be obtained from the Board's Report.

## **RISKS AND CONCERNS/CHALLENGES**

The Company's business is exposed to both external and internal risks. These risks could result in variance in actual results and historical results. In line with this, your Company framed a detailed Risk Management Policy which identifies the various types of risks at all levels of the Company. Early risk identification along with appropriate measures has enabled the Company to mitigate all threats which may arise from time to time. Also, the possibility of

occurrence of the risk event and the magnitude of their consequences on the organization is determined and used to prioritize risk management.

## **RESEARCH AND DEVELOPMENT (R&D)**

To cater the ever changing customer needs, increasing competition from global players and to meet stringent regulatory requirements, R&D envisaged its vision in line with the Company's vision and is working to meet the same. Mayur lays significant emphasis on improvements in methods and processes of manufacturing and operations, thus continuously improving its business through high quality R&D activities. Mayur is thriving towards technological leadership by continuous research and development. The primary focus of research is to continually refine the frequently used systems to derive optimization, reduction in the breakdowns, quality improvement, product development, energy conservation, automation and improved effectiveness and efficiency of use, through the introduction of new and improved techniques. Regular training programs are being conducted to improve and enhance the skills of the employees to keep pace with the modern technology. The company has always laid emphasis to develop and promote the in house research and development facilities. The ability to leverage the R&D expertise and knowledge of Mayur, has helped to innovate and renovate the production process, manufacture of high quality and safe products, improve yields, input substitution and achieve more efficient operations. Consequently the consumers perceive the products of our Company as high value for their money.

## **INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY**

In Mayur, the corporate audit division headed by Chief Financial Officer continuously monitors the effectiveness of the internal controls with an objective to provide to the Audit Committee and the Board of Directors, an independent, objective and reasonable assurance of the adequacy and effectiveness of the organization's risk management, control and governance processes. The division also assesses opportunities for improvement in business processes, systems & controls; provides recommendations, designed to add value to the organization and follows up on the implementation of corrective actions and improvements in business processes after review by the Audit Committee and Senior Management.

The Audit Committee also meets the company's Statutory Auditors to ascertain their views on the financial statements, including the financial reporting system, compliance to accounting policies and procedures, the adequacy and effectiveness of the internal controls and systems followed by the company. The Audit Committee's observations and suggestions are acted upon by the Management.

### **MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS**

Transformation of a nation or a company cannot sustain without wholehearted people participation. The capabilities of our people have brought us this far, and we will continue to invest in developing our teams to enhance their efficiency and introduce industry-leading practices. With strong focus on developing skills and capabilities of our employees, we have invested significantly in building strong knowledge resources within the organization. As on 31<sup>st</sup> March, 2018, the Company had 400 on-roll employees.

### **CAUTIONARY STATEMENT**

Statement in the Management Discussion and Analysis and Board's Report describing the Companies Strengths, strategies, projection and estimate are forward looking and progressive within the meaning of all applicable laws and regulation. Actual results may vary depending upon the various aspects of the economic such as Government policies, Rules and Regulations, economic conditions and other incidental factors. Important factors that could make a difference to our Company's operations include raw material availability and prices, cyclical demand and pricing in our principal markets, changes in government regulations, tax regimes, economic developments within India and outside the countries in which we conduct business and other incidental factors. Management will not be in any way responsible for the actions taken based on such statements.

# REPORT ON CORPORATE GOVERNANCE

## CORPORATE GOVERNANCE REPORT FOR THE YEAR ENDED ON 31<sup>ST</sup> MARCH 2018

In accordance with Regulation 34 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 [the SEBI (LODR) Regulations, 2015] the report containing the details of corporate governance systems and processes at Mayur Uniquoters Limited ('Mayur' or 'the Company') is as follows:

The Company has a defined policy framework for ethical conduct of businesses. We believe that any business conduct can be ethical only when it considers customer value, ownership mindset, respect, integrity, one team and excellence. Corporate governance is all about maintaining a valuable relationship and trust with all stakeholders. We consider stakeholders as partners in our success and we remain committed to maximizing stakeholder's value, be it shareholders, employees, suppliers, customers, investors, communities or policy makers. This approach to value creation emanates from our belief that sound governance system, based on relationship and trust, is integral to creating enduring value for all.

### ◆ COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

Corporate Governance shows a set of systems and practices to ensure that the company's affairs are being managed in a manner which ensures accountability, transparency and fairness in all transactions in the widest sense. The objective is to meet stakeholder's aspirations and societal expectations. Good governance practices generates from the dynamic culture and positive mindset of the organization. This is described in shareholder returns, high credit ratings, governance processes and an entrepreneurial performance focused work environment.

Mayur is committed to conduct its business based on the highest standard of corporate governance. At Mayur, corporate governance has been an integral part of doing our business since inception. Mayur, being a

value-driven organization for all the stakeholders, it has always worked towards building trust with shareholders, employees, customers, suppliers and other stakeholders based on the principle of good corporate governance viz. integrity, equity, transparency, fairness, disclosure accountability and commitment to values. These main drivers together with the company's outgoing contribution to the local communities through meaningful corporate social responsibility initiatives will play a pivotal role in fulfilling our vision to be the most admired and competitive company in our industry and our mission to create the value for all our stakeholders. These practices have been followed since inception and have lead to the sustained growth of the company.

At Mayur, it is our belief that as we move closer towards our aspirations of becoming a stupendous corporation, our corporate governance standards must be planetary benchmarked. This gives us the confidence of having put in the right building blocks for future growth and ensuring that we achieve our ambitions in a prudent and sustainable manner.

### ◆ BOARD COMPOSITION AND CATEGORY OF DIRECTORS

The Board is entrusted with an ultimate responsibility of the management, directions and performance of the Company. As its primary role is fiduciary in nature, the Board provides leadership, strategic guidance, objective and independent view to the Company's management while discharging its responsibilities, thus ensuring that the management adheres to ethics, transparency and disclosures.

At Mayur, the Board of Directors has an optimum combination of Executive and Non Executive Directors including Independent Directors. The composition of the Board, category of Directors and details of other directorship and committees during the financial year 2017-18 are as follows:

  - f. Disclosure of any related party transactions
  - g. Qualifications in the draft audit report
5. Reviewing, with the management, the quarterly financial statements before submission to the board for approval;
6. Reviewing, with the management, the statement of uses / application of funds raised through an issue (public issue, rights issue, preferential issue, etc.), the statement of funds utilized for purposes other than those stated in the offer document / prospectus / notice and the report submitted by the monitoring agency monitoring the utilisation of proceeds of a public or rights issue, and making appropriate recommendations to the Board to take up steps in this matter;

7. Review and monitor the auditor's independence and performance, and effectiveness of audit process;
8. Approval or any subsequent modification of transactions of the company with related parties;
9. Scrutiny of inter-corporate loans and investments;
10. Valuation of undertakings or assets of the company, wherever it is necessary;
11. Evaluation of internal financial controls and risk management systems;
12. Reviewing, with the management, performance of statutory and internal auditors, and adequacy of the internal control systems;
13. Reviewing the adequacy of internal audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit;
14. Discussion with internal auditors of any significant findings and follow up there on;
15. Reviewing the findings of any internal investigations by the internal auditors into matters where there is suspected fraud or irregularity or a failure of internal control systems of a material nature and reporting the matter to the board;
16. Discussion with statutory auditors before the audit commences, about the nature and scope of audit as well as post-audit discussion to ascertain any area of concern;
17. To look into the reasons for substantial defaults in the payment to the depositors, debenture holders, shareholders (in case of non-payment of declared dividends) and creditors;
18. To review the functioning of the whistle blower mechanism;
19. Approval of appointment of CFO (i.e., the whole-time Finance Director or any other person heading the finance function or discharging that function) after assessing the qualifications, experience and background, etc. of the candidate;
20. Carrying out any other function as is mentioned in the terms of reference of the Audit Committee;
21. The Audit Committee shall have authority to investigate into any matter in relation to the items specified in section 177(4) of Companies Act, 2013 or referred to it by the Board and for this purpose shall have power to obtain professional advice from external sources and have full access to information contained in the records of the Company;
22. The Auditors of a Company and the Key Managerial Personnel shall have a right to be heard in the meetings of the Audit Committee when it considers the auditor's report;
23. Review the management discussion and analysis of financial condition and results of operations;
24. Review the statement of significant related party transactions (as defined by the Audit Committee), submitted by management;
25. Review the management letters/ letters of internal control weaknesses issued by the statutory Auditors;
26. Review the internal audit reports relating to internal control weaknesses; and
27. The appointment, removal and terms of remunerations of the chief internal auditor shall be subject to review by the audit committee;
28. Review the:
  - (a) Quarterly statement of deviation(s) including report of monitoring agency, if applicable, submitted to stock exchange(s) in terms of Regulation 32(1);
  - (b) Annual statement of funds utilized for purposes other than those stated in the offer document/ prospectus/ notice in terms of Regulation 32(7).

#### **Composition, name of the Chairperson and Members**

## CERTIFICATE ON CORPORATE GOVERNANCE

To,  
The Members,  
Mayur Uniquoters Limited,

1. We have examined the compliance of conditions of Corporate Governance of Mayur Uniquoters Limited (“the Company”) for the year ended on March 31, 2018 as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46 (2) and paragraphs C, D and E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 collective referred as (SEBI Listing Regulations).

### Management’s Responsibility for compliance with the conditions of SEBI Listing Regulations

2. The compliance with the conditions of Corporate Governance is the responsibility of the management of the Company, including the preparation and maintenance of all relevant supporting records and documents. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in SEBI Listing Regulations.

### Auditor’s Responsibility

3. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. We have examined the relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with the Corporate Governance requirements by the Company.
5. We conducted our examination in accordance with the Guidance Note on Corporate Governance Certificate and the Guidance Manual on Quality of Audit & Attestation Services issued by the Institute of Company Secretaries of India (“ICSI”).

### Opinion

6. In our opinion and to the best of our information and according to the explanations given to us, and the representation made by the directors and the management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned SEBI Listing Regulations.
7. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

### Restriction on use

8. The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the SEBI Listing Regulations, and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

# INDEPENDENT AUDITORS' REPORT

## TOTHE MEMBERS OF MAYUR UNIQUOTERS LIMITED

### Report on the Standalone Indian Accounting Standards (Ind AS) Financial Statements

1. We have audited the accompanying standalone Ind AS financial statements of Mayur Uniquoters Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Standalone Ind AS Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements to give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

3. Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.
4. We have taken into account the provisions of the Act and the Rules made thereunder including the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone Ind AS financial statements.

### **Basis for Qualified Opinion**

8. We draw your attention to Note 38 to the standalone Ind AS financial statements, regarding compliance with Payment of Wages Act, 1936 and other applicable labour laws. In the ordinary course of business, a company which is subject to labour laws is required to pay overtime wages as twice of the ordinary wages. However, in the absence of sufficient appropriate audit evidence due to non-availability of time booking records with sufficient details, we are unable to determine whether the Company is required to pay any such overtime wages. Accordingly, we are unable to comment on the impact of the aforesaid on Employee Benefits Expenses and Contract Labour Charges and related liabilities included in these standalone Ind AS financial statements.

### **Qualified Opinion**

9. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and, except for the indeterminate effects of the matter referred to in the Basis for Qualified Opinion paragraph above, give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its total comprehensive income (comprising of profit and other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

### **Other Matter**

10. The comparative financial information of the Company for the year ended March 31, 2017 and the transition date opening balance sheet as at April 1, 2016 included in these standalone Ind AS financial statements, are based on the previously issued statutory financial statements for the years ended March 31, 2017 and March 31, 2016 prepared in accordance with the Companies (Accounting Standards) Rules, 2006 (as amended) which were audited by the predecessor auditor who expressed an unmodified opinion vide reports dated May 29, 2017 and May 27, 2016 respectively. The adjustments to those financial statements for the differences in accounting principles adopted by the Company on transition to the Ind AS have been audited by us. Our opinion is not qualified in respect of this matter.

### **Report on Other Legal and Regulatory Requirements**

11. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act ("the Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order.
12. As required by Section 143 (3) of the Act, we report that:
  - (a) We have sought and except for the matter described in the Basis for Qualified Opinion paragraph above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, except for the indeterminate effects of the matter described in the Basis for Qualified Opinion paragraph above, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, except for the indeterminate effects of the matter described in the Basis for Qualified Opinion paragraph above, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

- (e) On the basis of the written representations received from the directors as on March 31, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our comments in Paragraph 12 (b) above.
- (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure A.
- (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:
  - (i) The Company has disclosed the impact, if any, of pending litigations as at March 31, 2018 on its financial position in its standalone Ind AS financial statements – Refer Note 39 to the standalone Ind AS financial statements;
  - (ii) The Company does not have derivative contracts and in respect of other long-term contracts there are no material foreseeable losses as at March 31, 2018;
  - (iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2018;
  - (iv) The reporting on disclosures relating to Specified Bank Notes is not applicable to the Company for the year ended March 31, 2018.

## **Annexure A to Independent Auditor's Report**

Referred to in paragraph 12(g) of the Independent Auditors' Report of even date to the members of Mayur Uniquoters Limited on the standalone Ind AS Financial Statements for the year ended March 31, 2018.

### **Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act**

1. We have audited the internal financial controls with reference to financial statements of Mayur Uniquoters Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls system with reference to financial statements.

#### **Meaning of Internal Financial Controls with reference to financial statements**

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of

financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls with reference to financial statements**

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Basis for Qualified Opinion**

8. According to the information and explanations given to us and based on our audit, the following material weakness has been identified with respect to adequacy and therefore operating effectiveness of internal financial controls system with reference to financial statements as at March 31, 2018.

The Company did not have an automated attendance recording system to capture and maintain sufficient details including time worked by its own as well as contractual workers to ensure compliance with the Payment of Wages Act, 1936 and other applicable labour laws with respect to payment of any overtime wages. This could potentially result in material impact in the Company's Employee Benefits Expenses and Contract Labour Charges and related liabilities. Refer Note 38 to the standalone Ind AS financial statements.

9. A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

### **Qualified Opinion**

10. In our opinion, except for the possible effects of the material weakness described in the Basis for Qualified Opinion paragraph above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
11. We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone Ind AS financial statements of the Company for the year ended March 31, 2018, and the material weakness described in the Basis for Qualified Opinion paragraph above has affected our opinion on the standalone Ind AS financial statements of the Company and we have issued a qualified opinion on the standalone Ind AS financial statements for the year ended March 31, 2018.

## Annexure B to Independent Auditors' Report

Referred to in paragraph 11 of the Independent Auditors' Report of even date to the members of Mayur Uniquoters Limited on the Ind AS Financial Statements as of and for the year ended March 31, 2018.

- i. (a) The Company is maintaining proper records showing full particulars including quantitative details and situation of property, plant and equipment and intangible assets except for non-recording of unique identification numbers in respect of certain assets with gross carrying amount and net carrying amount aggregating to Rs. 790 lakhs and Rs. 483 lakhs, respectively.
- (b) The property, plant and equipment are physically verified by the Management according to a phased programme designed to cover all the items over a period of two years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the property, plant and equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
- (c) The title deeds of immovable properties, as disclosed in Note 3(a) on property, plant and equipment to the Ind AS financial statements, are held in the name of the Company.
- ii. The physical verification of inventory (excluding inventories lying with third parties and stock in transit) have been conducted at reasonable intervals by the Management during the year. In respect of inventory lying with third parties, these have substantially been confirmed by them. The discrepancies noticed on physical verification of inventory as compared to book records were not material.
- iii. The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii)(a), (iii)(b) and (iii)(c) of the said Order are not applicable to the Company.
- iv. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of investments made. The Company has not granted any loans or provided any guarantees or security to the parties covered under Section 185 and 186 of the Companies Act, 2013.
- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, except for dues in respect of interest on delayed payment of dividend distribution tax, the Company is generally regular in depositing the undisputed statutory dues, including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess, goods and service tax with effect from July 1, 2017 and other material statutory dues, as applicable, with the appropriate authorities (also refer our comments in paragraph 8 of our main audit report). The extent of the arrears of statutory dues outstanding as at March 31, 2018, for a period of more than six months from the date they became payable are as follows:

<b>Name of the statute</b>	<b>Nature of dues</b>	<b>Amount (Rs. In Lakhs)</b>	<b>Period to which the amount relates</b>	<b>Due date</b>	<b>Date of Payment</b>
Income Tax Act, 1961	Interest on delayed payment of dividend distribution tax	0.35	Financial Year 2017-18	August 12, 2017	May 24, 2018

- (b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of service tax, duty of excise, duty of customs and goods and service tax which have not been deposited on account of any dispute. The particulars of dues of income tax and cesses at March 31, 2018, which have not been deposited on account of a dispute, are as follows:

<b>Name of the statute</b>	<b>Nature of dues</b>	<b>Amount (Rs. In Lakhs)</b>	<b>Period to which the amount relates</b>	<b>Forum where the dispute is pending</b>
Income Tax Act, 1961	Income Tax	124.56	Assessment Year 2013-14	Commissioner (Appeals) of Income Tax, Jaipur
Textile Committee (Cess) Rules, 1975	Textile Committee Cess	7.69	Financial Year 1994-95 to 2002-2003	Textile Cess Appellate Tribunal, Mumbai

- viii. According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank or Government or dues to debenture holders as at the balance sheet date.
- ix. The Company has not raised any moneys by way of initial public offer, further public offer (including debt instruments) and term loans during the year. Accordingly, the provisions of Clause 3(ix) of the Order are not applicable to the Company.
- x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
- xi. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the Ind AS Financial Statements as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.
- xiv. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of Clause 3(xiv) of the Order are not applicable to the Company.

- xv. The Company has not entered into any non cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.
- xvi. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi) of the Order are not applicable to the Company.

## Notes to the Standalone Financial Statements

### Background

Mayur Uniquoters Limited is a Company limited by shares, incorporated and domiciled in India. The Company is in the business of manufacturing of Coated Textile Fabrics which are widely used in different segments such as Footwear, Furnishings, Automotive OEM, Automotive replacement market, and Automotive Exports. The equity shares of the Company are presently listed with BSE Limited (BSE) and National Stock Exchange of India Limited (NSE).

The standalone financial statements were approved and authorised for issue with a resolution of the Company's Board of Directors on May 30, 2018.

### Note 1: Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these standalone financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (a) Basis of preparation

##### (i) Compliance with Ind AS

The standalone financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The standalone financial statements up to year ended March 31, 2017 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act ("previous GAAP").

These standalone financial statements are the first standalone financial statements of the Company under Ind AS. Refer note 52 for an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

##### (ii) Historical cost convention

The standalone financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets that is measured at fair value; and
- defined benefit plans – plan assets measured at fair value.

##### (iii) Current versus non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle, or
- Held primarily for the purpose of trading, or
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle, or
- It is held primarily for the purpose of trading, or
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between acquisition of assets for processing and their realization in cash and cash equivalents. The Company has determined its operating cycle as twelve months.

##### (b) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors assesses the financial performance and position of the Company, and makes strategic decisions and have been identified as CODM. Refer note 44 for segment information presented.

### **(c) Foreign currency translation**

#### **(i) Functional and presentation currency**

Items included in the standalone financial statements are measured using the currency of the primary economic environment in which the Company operates. The standalone financial statements are presented in Indian rupee (INR), which is Mayur Uniquoters Limited's functional and presentation currency.

#### **(ii) Transactions and balances**

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in the statement of profit and loss.

Foreign exchange gain and losses are presented in the statement of profit and loss on net basis within other income or other expenses. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Transaction differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. For example, translation differences on non-monetary assets and liabilities such as equity instruments held at fair value through profit or loss are recognised in profit or loss as part of the fair value gain or loss and translation differences on non-monetary assets such as equity investments classified as FVOCI are recognised in other comprehensive income.

### **(d) Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, rebates, Goods and Service tax (GST) and amounts collected on behalf of third parties.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below.

#### **Sale of goods**

Timing of recognition: Sales are recognised when significant risk & rewards of ownership of products are passed to the customers, usually on delivery, and the Company neither retains continuing managerial involvement to the extent usually associated with ownership nor effective control over the goods sold.

Measurement of revenue: The products are often sold with volume discounts and customers have a right to return faulty products. Revenue from sales is based on the price specified in the sales contracts, net of the estimated volume discounts and returns at the time of sale. Accumulated experience is used to estimate and provide for the discounts and returns. The volume discounts are assessed based on anticipated annual purchases. When the inflow of cash or cash equivalents is deferred, fair value of the consideration is determined by discounting all future receipts using an imputed rate of interest. The difference between the fair value and the nominal amount of the consideration is recognised as interest revenue in accordance with Ind AS 109.

### **(e) Government Grants**

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to income are deferred and recognised in the statement of profit and loss over the period necessary to match them with the costs that they are intended to compensate. Government grants related to subsidy in interest rate are presented

by deducting the grant from the expense which they relate to and presented within other income.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to the statement of profit and loss on a straight-line basis over the expected useful lives of the related assets and presented within other income.

#### **(f) Income tax**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the statement of profit and loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

#### **(g) Leases**

##### **As a lessee**

Leases of property, plant and equipment where the Company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalised at the inception of leases at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the statement of profit and loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to the statement of profit and loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

#### **(h) Impairment of assets**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss

is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

The Company bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Company's cash-generating units to which the individual assets are allocated.

Impairment losses are recognised in the statement of profit and loss. After impairment depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

An assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the asset's or cash-generating unit's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit and loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

#### **(i) Cash and cash equivalents**

For the purpose of presentation in the cash flow statement, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are

subject to an insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

#### **(j) Trade receivables**

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

#### **(k) Inventories**

Raw materials and stores, work in progress and finished goods are stated at the lower of cost and net realisable value. Cost of raw materials comprises cost of purchases. Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity.

Costs of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on the basis of Weighted Average Cost basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

#### **(l) Investments and other financial assets**

##### **(i) Classification**

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in the statement of profit and loss or other comprehensive income. For investments in debt instruments, this will depend

on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

## (ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in case of financial instruments not at fair value through profit or loss, transaction cost that are directly attributable to the acquisition of financial asset. Transaction cost related to financial asset carried at fair value through the statement of profit and loss are expensed in the statement of profit and loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

### Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in the statement of profit and loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.
- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows

represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the statement of profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from OCI to the statement of profit and loss and recognised in other income or other expenses. Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gain and losses are presented in other income or other expenses and impairment expenses in other expenses.

- **Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised and presented net in profit and loss within other income or other expenses in the period in which it arises. Dividend and interest income from these financial assets is included in other income.

### Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to the statement of profit and loss. Dividends from such investments are recognised in the statement of profit and loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other income or other expenses in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

### **(iii) Impairment of financial assets**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk of financial asset since initial recognition. Note 48 details how the Company determines whether there has been a significant increase in credit risk. For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

For recognition of impairment loss on other financial assets, the Company assesses whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. For assessing increase in credit risk and impairment loss, the Company assesses the credit risk characteristics on instrument-by-instrument basis. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL. The amount of expected credit loss (or reversal) for the period is recognised as expense/income in the statement of profit and loss.

### **(iv) Derecognition of financial assets**

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where an asset has been transferred, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial

asset. In such cases, the financial asset is derecognised. Where the Company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

### **(v) Income recognition**

#### **Interest income**

Interest is recognised using the effective interest rate (EIR) method, as income for the period in which it occurs. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

#### **Dividends**

Dividends are recognised in the statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

### **(m) Investment in Subsidiaries**

A subsidiary is an entity controlled by the Company. Control exists when the Company has power over the entity, is exposed, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns.

Investments in subsidiaries are carried at cost. The cost comprises price paid to acquire investment and directly attributable cost.

On the date of transition to Ind AS, the Company has considered the carrying value of investment in subsidiaries as per previous GAAP to be the deemed cost as per Ind AS 101.

#### **(n) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counter party.

#### **(o) Property, plant and equipment**

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the statement of profit and loss during the reporting period in which they are incurred.

#### **Transition to Ind AS**

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

#### **Depreciation methods, estimated useful lives and residual value**

Depreciation on property, plant and equipment has been provided at the Straight Line Method on the basis of useful life of assets as prescribed in part C of Schedule II of the Companies Act, 2013 to allocate their cost, net of their residual values, over their estimated useful lives as follows-

• Freehold Building	30 years
• Plant and Machinery	10-15 years
• Furniture and Fixtures	10 years
• Vehicles	8 years
• Office Equipments	5 years
• Computers & Data processing units	3-6 years

Depreciation on additions and deletion during the year has been provided on pro rata basis with reference to the date of addition and deletion.

In respect of certain items of plant and machinery, depreciation is provided for based on number of shifts worked during the year.

The property, plant and equipment acquired under finance leases is depreciated over the asset's useful life or over the shorter of the asset's useful life and the lease term if there is no reasonable certainty that the Company will obtain ownership at the end of the lease term.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the statement of profit and loss within other income or other expenses.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under non-current assets.

#### **(p) Intangible assets**

Intangible assets that are acquired by the Company are measured initially at cost. All intangible assets are with finite useful lives and are measured at cost less accumulated amortisation.

### **Amortisation and useful lives**

Intangible assets are amortised over the useful life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method are reviewed at the end of each reporting period. The amortisation expense on intangible assets is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Intangible assets comprise computer software having an estimated useful life of 4 years.

### **Transition to Ind AS**

On transition to Ind AS, the Company has elected to continue with the carrying value of all of intangible assets recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

### **(q) Trade and other payables**

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

### **(r) Borrowings**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the statement of profit and loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

### **(s) Borrowing costs**

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

### **(t) Provisions and Contingent Liabilities**

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent Liabilities: Contingent liabilities are disclosed when:

- there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or

- a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

## **(u) Employee benefits**

### **(i) Short-term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

### **(ii) Other long-term employee benefit obligations**

The liabilities for leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the statement of profit and loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

### **(iii) Post-employment obligations**

The Company operates the following post-employment schemes: (a) defined benefit gratuity plan (b) defined contribution plans (provident fund).

## **Gratuity obligations**

The Company contributes to the Gratuity Fund managed by the Life Insurance Corporation of India under its Company Gratuity (Cash Accumulation) Scheme.

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in the statement of profit and loss as past service cost.

## **Defined contribution plans**

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

### (v) Contributed equity

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

### (w) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

### (x) Earnings per share

#### (i) Basic earnings per share/ Diluted earnings per share

Basic earnings per share/ *Diluted earnings per shares* calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for buy back of equity shares during the year (note 36).

### (y) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Normally at initial recognition, the transaction price is the best evidence of fair value.

However, when the Company determines that transaction price does not represent the fair value, it uses inter-alia valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy. This categorisation is based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Financial assets and financial liabilities that are recognised at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation at the end of each reporting period.

### (z) Rounding of amounts

All amounts disclosed in the standalone financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

### Note 2: Critical estimates and judgment

The preparation of standalone financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies. This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the standalone financial statements.

#### Critical estimates and judgements

The areas involving critical estimates or judgements are:

- Estimation of defined benefit obligation – Note 24
- Impairment of trade receivables – Note 48

Estimation and judgements are continuously evaluated. They are based on historical experience and other factors including expectation of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

### 3a) Property, Plant and Equipment

(All amounts in INR lakhs, unless otherwise stated)

**i) Leased assets**

Land includes the following amounts where the Company is a lessee under a finance lease:

	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
<b>Leasehold Land</b>			
Cost/Deemed Cost	1,015.77	48.91	48.91
Accumulated Depreciation	6.17	0.64	-
Net Carrying Amount	1,009.60	48.27	48.91

**Leasehold Land**

The lease term in respect of land acquired at Gwalior in current year under finance lease is 99 years. Under the terms of the lease, the Company has the option to renew the lease term for the period of 99 years on expiry of the leases on terms and conditions as mutually agreed between the parties. With respect to leasehold land acquired in the current year at Gwalior, upfront payment is made at the inception of lease contract with annual lease payment to be made thereafter. The lease term in respect of land acquired at Jaitpura is 99 years. Upfront payment for 30 years is made at the inception of lease contract and further payment for balance 69 years is required to be made after the expiry of lease term of 30 years.

**ii) Property, Plant and Equipment pledged as security**

(All amounts in INR lakhs, unless otherwise stated)

The carrying amount of assets pledged as security for current and non-current borrowings are:

	Notes	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016

#### Nature and Purpose of Reserves

- Securities Premium Reserve**  
Securities premium reserve is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Act.
- FVOCI Debt Instruments**  
The fair value changes in debentures fair value through Other Comprehensive Income are accumulated within the FVOCI debenture reserve within equity. The Company transfers amounts from this reserve to retained earnings when the relevant debentures are sold.
- Capital Redemption Reserve**  
Statutory reserve created on buy back of shares equivalent to face value of the equity shares bought back under the provisions of the Act. Such reserve could be used for issue of bonus shares.

Leave Encashment (Net of Plan Assets)	16.80	4.08	3.79
<b>Total</b>	<b>31.52</b>	<b>4.08</b>	<b>33.16</b>

#### (A) Leave Obligations

The entire amount of the provision of Rs. 16.80 Lakhs (As at March 31, 2017: Rs. 4.08 Lakhs ; As at April 1, 2016: Rs. 3.79 Lakhs) is presented as current, since the Company does not have an unconditional right to defer settlement for any of these obligations. However, based on past experience, the Company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months. The following amounts reflect leave that is not expected to be taken or paid within the next 12 months:

	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
Leave obligations not expected to be settled within the next 12 months (Gross)	69.69	79.81	65.02

The Company contributes to the Leave Encashment Fund managed by the Life Insurance Corporation of India under its Group Leave Encashment Scheme. The liability for Leave Encashment is determined on the basis of independent actuarial valuation done at year end. Plan assets are measured at fair value as at Balance Sheet date.

#### (B) Post-Employment Obligations

##### a) Defined Contribution Plans

The Company also has defined contribution plan for its employees' retirement benefits comprising of Provident Fund & Employees' State Insurance Fund. The Company and eligible employees make monthly contribution to the above mentioned funds at a specified percentage of the covered employees salary. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the period towards Provident Fund is Rs. 51.38 Lakhs (As at March 31, 2017: Rs. 42.75 Lakhs). The expense recognised during the period towards Employees' State Insurance is Rs. 16.41 Lakhs (As at March 31, 2017: Rs. 11.40 Lakhs)

##### b) Defined Benefit Plans

##### Gratuity

The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is a funded plan and the Company makes contributions to fund managed by the Life Insurance Corporation of India.

#### (i) The amounts recognised in the balance sheet and the movements in the net defined benefit obligation over the year are as follows:

	Present Value of Obligation	Fair Value of Plan Assets	Net Amount
<b>As at April 1, 2016</b>	207.87	178.50	29.37
Current Service Cost	25.96	-	25.96
Interest Expense/(Income)	16.63	14.27	2.36
<b>Total Amount Recognised in Statement of Profit and Loss</b>	<b>42.59</b>	<b>14.27</b>	<b>28.32</b>
Remeasurements			
Return on plan assets, excluding amounts included in interest expense/(income)	-	3.41	(3.41)
(Gain)/loss from change in demographic assumptions	-	-	-
(Gain)/loss from change in financial assumptions	(28.21)	-	(28.21)
Experience (gains)/losses	27.74	-	27.74
<b>Total Amount Recognised in other Comprehensive Income</b>	<b>(0.47)</b>	<b>3.41</b>	<b>(3.88)</b>

(All amounts in INR lakhs, unless otherwise stated)

	Present Value of Obligation	Fair Value of Plan Assets	Net Amount
Employer Contributions	-	58.48	(58.48)
Benefit Payments	(26.50)	(26.50)	-
<b>As at March 31, 2017</b>	<b>223.49</b>	<b>228.16</b>	<b>(4.67)</b>
<b>As at April 1, 2017</b>	<b>223.49</b>	<b>228.16</b>	<b>(4.67)</b>
Current Service Cost	25.46	-	25.46
Interest Expense/(Income)	17.87	18.24	(0.37)
Past Service Cost	23.24	-	23.24
<b>Total Amount Recognised in Statement of Profit and Loss</b>	<b>66.57</b>	<b>18.24</b>	<b>48.33</b>
Remeasurements			
Return on plan assets, excluding amounts included in interest expense/(income)	-	0.44	(0.44)
(Gain)/loss from change in demographic assumptions	6.48	-	6.48
(Gain)/loss from change in financial assumptions	24.96	-	24.96
Experience (gains)/losses	(32.29)	-	(32.29)
<b>Total Amount Recognised in other Comprehensive Income</b>	<b>(0.85)</b>	<b>0.44</b>	<b>(1.29)</b>
Employer Contributions	-	24.64	(24.64)
Benefit Payments	(14.29)	(14.29)	-
<b>As at March 31, 2018</b>	<b>274.92</b>	<b>257.19</b>	<b>17.73</b>

(ii) The net liability disclosed above relates to funded plan is as follows:

Particulars	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
Present Value of Funded Obligations	274.92	223.49	207.87
Fair Value of Plan Assets	257.19	228.16	178.50
<b>Deficit/(Surplus) of Funded Plans</b>	<b>17.73</b>	<b>(4.67)</b>	<b>29.37</b>

(iii) The Significant Actuarial Assumptions were as follows:

Discount Rate	7.70%	8.00%	8.00%
Salary Growth Rate	7.50%	7.00%	8.00%
Retirement Age	60 Years	60 Years	60 Years
Mortality Rate	100%	100%	100%
<b>Attrition Rate</b>			
Up to 30 Years	10.00%	3.00%	3.00%
31-44 Years	10.00%	2.00%	2.00%
Above 44 Years	10.00%	1.00%	1.00%

(iv) Sensitivity Analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Particulars	Increase/Decrease		Impact on Defined Benefit Obligation			
	Change in Assumption		Increase in Assumption		Decrease in Assumption	
	As at March 31, 2018	As at March 31, 2017	As at March 31, 2018	As at March 31, 2017	As at March 31, 2018	As at March 31, 2017
Discount Rate	1.00%	1.00%	-6.30%	-11.80%	7.20%	14.30%
Salary Growth Rate	1.00%	1.00%	6.50%	12.60%	-5.90%	-11.10%
Attrition Rate	50.00%	50.00%	0.50%	0.90%	-1.00%	-1.00%
Mortality Rate	10.00%	10.00%	0.00%	0.10%	0.00%	-0.10%

(All amounts in INR lakhs, unless otherwise stated)

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

**(v) The major categories of plans assets are as follows:**

Particulars	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
Funds Managed by Insurer	100%	100%	100%
<b>Total</b>	<b>100%</b>	<b>100%</b>	<b>100%</b>

**(vi) Risk Exposure**

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

**Interest Rate Risk:** The plan exposes the Company to the risk of fall in the interest rates. A fall in the interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statement).

**Salary Escalation Risk:** The present value of the defined benefit plan is calculated with assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plans liability.

**Demographic Risk:** The Company has used certain mortality and attrition assumption in valuation of the liability. The Company is exposed to the risk of the actual experience turning out to be worse.

**Regulatory Risk:** Gratuity benefit is paid in accordance with the requirement of the payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulation requiring higher gratuity payouts.

**Liquidity Risk:** This is the risk that the Company is not able to meet the short-term gratuity payouts. This may arise due to non availability of enough cash / cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

**Asset Liability Mismatching or Market Risk:** The duration of the liability is longer compared to duration of assets, exposing the Company to market risk for volatilities/fall in interest rate.

**Investment Risk:** The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

**(vii) Defined Benefit Liability and Employer Contributions**

The Company's best estimate of contribution towards post-employment benefit plans for the year ending March 31, 2019 are Rs. 47.64 Lakhs.

The weighted average duration of the defined benefit obligation is 7 years (As at March 31, 2017: 12 years ; As at April 1, 2016: 14 years). The expected maturity analysis of undiscounted gratuity is as follows:

	Less than a year	Between 1 - Less than 5 years	Between 5 - Less than 10 years	10 Years or More	Total
<b>As at March 31, 2018</b>					
Defined Benefit Obligation	46.72	110.27	136.77	232.58	526.34
<b>Total</b>	<b>46.72</b>	<b>110.27</b>	<b>136.77</b>	<b>232.58</b>	<b>526.34</b>
<b>As at March 31, 2017</b>					
Defined Benefit Obligation	23.22	25.98	79.74	689.96	818.90
<b>Total</b>	<b>23.22</b>	<b>25.98</b>	<b>79.74</b>	<b>689.96</b>	<b>818.90</b>
<b>As at April 1, 2016</b>					
Defined Benefit Obligation	13.23	30.41	61.60	717.64	822.88
<b>Total</b>	<b>13.23</b>	<b>30.41</b>	<b>61.60</b>	<b>717.64</b>	<b>822.88</b>

**25) Current Government Grants**

(All amounts in INR lakhs, unless otherwise stated)

	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
Government Grants (Refer Note 46)	6.98	6.98	-
<b>Total</b>	<b>6.98</b>	<b>6.98</b>	<b>-</b>

**26) Current Tax Liabilities (Net)**

	Year Ended March 31, 2018	Year Ended March 31, 2017
Opening Balance	182.15	903.86
Add: Current Tax Payable for the year (Including Interest)	4,670.00	3,870.50
Less: Taxes Paid	4,637.66	4,592.21
<b>Closing Balance</b>	<b>214.49</b>	<b>182.15</b>
<b>27) Revenue from Operations</b>		
Sale of Products (Including Excise Duty) :		
Finished Goods :		
Export Sales	14,541.17	14,126.26
Domestic Sales	41,095.89	37,510.22
	55,637.06	51,636.48
Other Operating Revenue		
Export Incentives	298.31	269.76
Scrap Sales and Others	432.05	441.73
	730.36	711.49
<b>Total</b>	<b>56,367.42</b>	<b>52,347.97</b>

Goods and service tax (GST) has been effected from July 1, 2017. Consequently excise duty, value added tax, service tax etc. have been replaced with GST. Until June 30, 2017 "Sale of products" included the amount of excise duty recovered on sale. With effect from July 1, 2017 sale of products excludes the amount of GST recovered. Accordingly, revenue from sale of products for the year ended March 31, 2018 is not comparable with that of the previous year. The following additional information is being provided to facilitate such understanding:

Particulars	Year Ended March 31, 2018	Year Ended March 31, 2017
Revenue from Operations (Sale of Products)	55,637.06	51,636.48
Less: Excise Duty	1,145.66	4,677.85
<b>Revenue from Operations (Sale of Products) Excluding Excise Duty</b>	<b>54,491.40</b>	<b>46,958.63</b>

	Year Ended March 31, 2018	Year Ended March 31, 2017
(i) Gross amount required to be spent by the Company during the year	224.01	200.95
(ii) Amount spent during the year		
(A) In Cash		
(i) Construction/ Acquisition of any Asset	-	-
(ii) On purpose other than (i) above		
1. Promoting Health Care including Preventing Health Care	13.47	6.97
2. Promotion of Education	86.55	29.96
3. Employment Enhancing Vocational Skill	4.00	-
4. Eradicating Malnutrition	3.14	-
5. Welfare of Scheduled Tribes	20.00	-
6. Promotion of Rural Sports	0.89	1.61
7. Sanitation	32.23	-
8. Ensuring Environmental Sustainability	-	5.48
9. Rural Projects	-	1.26
10. Promoting Gender Equality and Empowering Women	-	-
<b>Total</b>	<b>160.28</b>	<b>45.28</b>
(B) Yet to be paid in Cash		
1. Promoting Health Care including Preventing Health Care	2.78	2.39
2. Promotion of Education	10.36	2.38
3. Rural Projects	-	1.39
<b>Total</b>	<b>13.14</b>	<b>6.16</b>
<b>Total</b>	<b>173.42</b>	<b>51.44</b>

(All amounts in INR lakhs, unless otherwise stated)

- 43) During the previous year, the Company had Specified Bank Notes (SBNs) or other denomination notes as defined in the MCA notification, G.S.R.308(E), dated March 31, 2017. The details of SBNs held and transacted during the period from November 8, 2016 to December 30, 2016. The denomination-wise SBNs and other notes as per the notification are as follows:

Particulars	SBNs*	Other Denomination Notes	Total
Closing Cash in Hand as on November 8, 2016	5.94	0.15	6.09
Add: Permitted Receipts	-	13.53	13.53
Less: Permitted Payments	0.76	9.53	10.29
Less: Amount Deposited in Banks	5.18	-	5.18
Closing Cash in Hand as on December 30, 2016	-	4.15	4.15

\*For the purposes of this clause, the term 'Specified Bank Notes' shall have the same meaning provided in the notification of the Government of India, in the Ministry of Finance, Department of Economic Affairs number S.O.3407(E), dated November 8, 2016.

#### 44) Segment Information

The chief operating decision maker (CODM) i.e. The Board of Directors reviews the performance of the overall business. As the Company has single reportable segment i.e. PU/PVC synthetic leather, the segment wise disclosure requirements of Ind AS 108 on operating segment is not applicable. In compliance to the said standard, entity wide disclosures are as under :

Revenues from external customers attributed to the country of domicile and attributed to all foreign countries from which the Company derives revenues	Year Ended March 31, 2018	Year Ended March 31, 2017
Revenue from the Country of Domicile - India	41,826.25	38,221.71
Revenue from Foreign Countries	14,541.17	14,126.26

\*The fair values of the Investments is measured using quoted prices and are classified as level 1 fair values in the fair value hierarchy.

#### (i) Fair Value Hierarchy

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded debentures and mutual funds that have quoted price. The fair value of all equity instruments (including debentures) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

**Level 2:** The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between levels 1 and 2 during the year.

The company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

#### (ii) Fair Value of Financial Assets and Liabilities Measured at Amortised Cost

The carrying amounts of trade receivables, trade payables, capital creditors, cash and cash equivalents, other bank balances, other financial assets, short term borrowings and other financial liabilities are considered to be the same as their fair values, due to their short-term nature.

Majorly the security deposits are redeemable on demand and hence the fair values of security deposits are approximately equivalent to the carrying amount.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 2 fair values in the fair value hierarchy since significant inputs required to fair value an instrument are observable. There is no material difference between carrying amount and fair value of non-current borrowings as on March 31, 2018 ; March 31, 2017 and April 1, 2016.

### 48) Financial Risk Management

The Company's activities expose it to market risk, liquidity risk and credit risk.

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

#### (A) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. The carrying amounts of financial assets represent the maximum credit risk exposure.

A default on a financial asset is when the counterparty fails to make contractual payments as per agreed terms. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

Assets are written off when there is no reasonable expectation of recovery. The Company write offs debtors when they fail to make contractual payment greater than 5 years past due.

(All amounts in INR lakhs, unless otherwise stated)

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forwarding-looking information.

#### **Trade and Other Receivables**

Credit risk refers to the risk of default on its obligation by the counter party resulting in financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivable amounting to Rs. 13,292.66 Lakhs, Rs. 12,869.30 Lakhs and Rs. 12,282.88 Lakhs as at March 31, 2018, March 31, 2017 and April 1, 2016, respectively. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate. The Company has a credit risk management policy in place to limit credit losses due to non-performance of financial counterparties and customers. The Company monitors its exposure to credit risk on an ongoing basis at various levels. Outstanding customer receivables are regularly monitored. The Company closely monitor the acceptable financial counterparty credit ratings and credit limits and revise where required in line with the market circumstances.

Due to the geographical spread and the diversity of the Company's customers, the Company is not subject to any significant concentration of credit risks at balance sheet date.

On account of adoption of Ind AS 109, the Company uses a simplified approach (lifetime expected credit loss model) for the purpose of computation of expected credit loss for trade receivables.

The Company calculates expected credit loss on its trade receivables using 'allowance matrix' and also takes into account 'delay risk' on trade receivables.

**Significant Estimates:** The impairment provisions for financial assets disclosed above are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period. For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109, "Financial Instruments", which requires expected lifetime losses to be recognised from initial recognition of the receivables.

#### **Reconciliation of ECL Provision – Trade Receivables**

<b>ECL provision on April 1, 2016</b>	<b>163.48</b>
Changes in ECL provision during the year including bad debts written off against provision	47.18
<b>ECL provision on March 31, 2017</b>	<b>210.66</b>
Changes in ECL provision during the year including bad debts written off against provision	31.94
<b>ECL provision on March 31, 2018</b>	<b>242.60</b>

#### **Cash and Cash Equivalents and Bank Deposits**

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits accounts in different banks across the country.

#### **Other Financial Assets Measured at Amortised Cost**

Other financial assets measured at amortized cost includes security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously.

#### **(B) Liquidity Risk**

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding to meet obligations when due. Management monitors rolling forecasts of the company's liquidity position and cash and cash equivalents on the basis of expected cash flows.

##### **Maturities of Financial Liabilities**

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

(All amounts in INR lakhs, unless otherwise stated)

**Contractual Maturities of Financial Liabilities:**

	Less than 1 years	1-5 years	More than 5 years
<b>As at March 31, 2018</b>			
Borrowings	394.51	30.05	-
Finance Lease Obligation	15.83	63.31	1,471.95
Trade Payables	5,798.19	-	-
Other Financial Liabilities	584.53	-	-
<b>Total</b>	<b>6,793.06</b>	<b>93.36</b>	<b>1,471.95</b>
<b>As at March 31, 2017</b>			
Borrowings	845.59	405.06	-
Trade Payables	5,766.57	-	-
Other Financial Liabilities	528.82	-	-
<b>Total</b>	<b>7,140.98</b>	<b>405.06</b>	<b>-</b>
<b>As at April 1, 2016</b>			
Borrowings	1,685.78	994.78	-
Trade Payables	4,579.12	-	-
Other Financial Liabilities	576.68	-	-
<b>Total</b>	<b>6,841.58</b>	<b>994.78</b>	<b>-</b>

**(C) Market Risk**

**(i) Foreign Currency Risk**

The Company operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD, GBP and EUR. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency (INR). The Company maintains EEFC bank account for export sales realisation which is generally used for repayment of import obligations (arising out of purchase of raw materials, services and capital goods), therefore, the risk is not a material risk to the Company.

The Company's exposure to foreign currency risk at the end of the reporting period expressed in INR Lakhs, are as follows:

Exposure to Foreign Currency Risk (Assets)	As at March 31, 2018			As at March 31, 2017			As at April 1, 2016		
	USD	GBP	EUR	USD	GBP	EUR	USD	GBP	EUR
EEFC Account Balance	1,196.66	-	-	781.84	-	-	307.07	-	-
Trade Receivables	6,854.13	-	87.47	6,614.64	82.49	-	5,301.90	48.55	-
<b>Exposure to Foreign Currency Risk (Liabilities)</b>									
Buyer's Credit	-	-	-	-	-	86.25	1,028.44	-	-
Trade Payables	1,689.49	-	150.38	977.36	-	178.66	634.77	-	185.42

**Sensitivity**

(All amounts in INR lakhs, unless otherwise stated)

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments:

	Impact on Profit After Tax	
	As at March 31, 2018	As at March 31, 2017
USD Sensitivity		
INR/USD - Appreciates by 3% (As at March 31, 2017 - 2.5%)	124.15	104.94
INR/USD - Depreciates by 3% (As at March 31, 2017 - 2.5%)	(124.15)	(104.94)
Euro Sensitivity		
INR/Euro - Appreciates by 5% (As at March 31, 2017 - 8%)	(2.05)	(13.86)
INR/Euro - Depreciates by 5% (As at March 31, 2017 - 8%)	2.05	13.86
GBP Sensitivity		
GBP/INR - Appreciates by 5% (As at March 31, 2017 - 1.17%)	-	0.63
GBP/INR - Depreciates by 5% (As at March 31, 2017 - 1.17%)	-	(0.63)

\* Holding all other variables constant

**(ii) Interest Rate Risk**

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
Variable Rate Borrowings	412.60	1,114.79	1,558.78
Fixed Rate Borrowings	174.09	86.25	1,028.44

The Company on a regular basis monitors the changes in interest rate in the market to manage the portfolio of variable rate borrowings.

**Sensitivity**

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

	Impact on Profit After Tax	
	As at March 31, 2018	As at March 31, 2017
Interest rates — increase by 50 basis points (As at March 31, 2017 - 10 bps)*	8.32	25.75
Interest rates — decrease by 50 basis points (As at March 31, 2017 - 10 bps)*	(6.99)	(24.89)

**\*Holding all other variables constant****(iii) Price Risk**

The Company's exposure to price risk arises from equity investments and equity oriented mutual funds held by the Company and classified in the balance sheet as fair value through profit or loss.

To manage its price risk arising from investments in equity securities, the Company diversifies its portfolio. The majority of the Company's equity investments are included in the BSE index.

**Sensitivity**

The table below summarises the impact of increases/decreases of the index on the Company's profit for the period. The analysis is based on the assumption that the equity index had increased by 11.30% decreased by 11.30% with all other variables held constant, and that all the Company's equity instruments moved in line with the index.

	Impact on Profit After Tax	
	As at March 31, 2018	As at March 31, 2017
BSE — increase 11.30% (As at March 31, 2017 — 16.88%)	356.34	82.23
BSE — decrease 11.30% (As at March 31, 2017 — 16.88%)	(356.34)	(82.23)

**49) Events Occurring after the Reporting Period**

Refer to note 50 for the final dividend recommended by the board of directors which is subject to the approval of shareholders in the ensuing annual general meeting.

## 50) Capital Management

(All amounts in INR lakhs, unless otherwise stated)

The Company's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt. No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2017 and March 31, 2018.

The Company has complied with the debt covenants as per the terms of borrowing facilities throughout the reporting period.

### Dividends Including Dividend Distribution Tax

	As at March 31, 2018	As at March 31, 2017
(i) Equity Shares		
Final dividend for the year ended March 31, 2017 of Rs. 0.25 (As at March 31, 2016 — Rs. 0.20) per fully paid share	137.75	111.40
Interim dividend for the year ended March 31, 2018 of Rs. 1.15 (As at March 31, 2017 — Rs. 0.75) per fully paid share	631.45	414.73
(ii) Dividends not recognised at the end of the reporting period	136.61	137.75
In addition to the above dividends, since year end the directors have recommended the payment of a final dividend of Rs. 0.25 per fully paid equity share (As at March 31, 2017 — Rs. 0.25). This proposed dividend is subject to the approval of shareholders in the ensuing annual general meeting.		

- 51) The Company has established a comprehensive system of maintenance of information and documents as required by the transfer pricing legislation under sections 92-92F of the Income Tax Act, 1961. For this purpose, the Company has appointed an independent consultant for conducting a Transfer Pricing study (the 'study') for the Assessment Year 2018-19. In the unlikely event that any adjustment is required consequent to completion of the study for the year ended March 31, 2018, the same would be made in the subsequent year. However, management is of the opinion that its international transactions are at arm's length so that the aforesaid legislation will not have any material impact on the financial statements, particularly on the amount of tax expense and that of provision for taxation.

## 52) First Time Adoption Of Ind AS

### Transition to Ind AS

These are the Company's first financial statements prepared in accordance with Ind AS.

The accounting policies set out in note I have been applied in preparing the financial statements for the year ended March 31, 2018, the comparative information presented in these financial statements for the year ended March 31, 2017 and in the preparation of an opening Ind AS balance sheet at April 1, 2016 (The company's date of transition). In preparing its opening Ind AS balance sheet, the company has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act (previous GAAP or Indian GAAP).

An explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows is set out in the following tables and notes.

### Exemptions and Exceptions Availed

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

#### Ind AS optional exemptions

##### Deemed Cost

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This exemption can also be used for intangible assets and investment in subsidiary Company. Accordingly, the Company has elected to measure all of its property, plant and equipment, intangible assets and investment in subsidiary Company at their previous GAAP carrying value.

#### Ind AS mandatory exceptions

##### Estimates

An entity's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error. Ind AS estimates as at April 1, 2016

(All amounts in INR lakhs, unless otherwise stated)

are consistent with the estimates as at the same date made in conformity with previous GAAP. The Company made estimates for following items in accordance with Ind AS at the date of transition as these were not required under previous GAAP:-

Impairment of financial assets based on expected credit loss model.

De-recognition of financial assets and liabilities

Ind AS 101 requires a first-time adopter to apply the de-recognition provisions of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. However, Ind AS 101 allows a first-time adopter to apply the de-recognition requirements in Ind AS 109 retrospectively from a date of the entity's choosing, provided that the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognised as a result of past transactions was obtained at the time of initially accounting for those transactions.

The Company has elected to apply the de-recognition provisions of Ind AS 109 prospectively from the date of transition to Ind AS.

Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

#### 1) Reconciliations between previous GAAP and Ind AS

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods. The following tables represent the reconciliations from previous GAAP to Ind AS.

Reconciliation of equity as at date of transition (As at April 1, 2016) and As at March 31, 2017

	Notes to First-Time Adoption	As at March 31, 2017	As at April 1, 2016
Total Equity (Shareholder's Funds) as per Previous GAAP		39,364.15	34,211.10

Cash and Cash Equivalents	1,472.02	(158.35)	1,313.67
Other Bank Balances	556.59	158.35	714.94

Balance Sheet (Extract)	As at April 1, 2016 (Previous GAAP)	Increase/ (Decrease)**	As at April 1, 2016 (Ind AS)
Cash and Cash Equivalents	851.21	(144.73)	706.48
Other Bank Balances	561.71	144.73	706.44

\* - Previous GAAP figures have been reclassified to conform to Ind AS presentation requirements.

\*\* - Fixed deposits with banks amounting to Rs. 158.35 Lakhs and Rs. 144.73 Lakhs having an original maturity period of more than 3 months were classified and presented under 'Cash and cash equivalents' both in the balance sheet and in the cash flow statement for the year ended March 31, 2017 and March 31, 2016 respectively, prepared under the previous GAAP. This has been rectified in the comparative information included in these financial statements and the impact on each affected financial statement line item and cash flow statement is disclosed above.

\*\*\* - Refer Note 9 below under Notes to first time adoption.

#### Notes to First-Time Adoption:

##### Note 1: Fair Valuation of Equity Investments

Under the previous GAAP, investments in equity instruments were classified as long-term investments based on the intended holding period and realisability. Long-term investments were carried at cost less provision for other than temporary decline in the value of such investments. Under Ind AS, these investments are required to be measured at fair value. The resulting fair value changes of these investments have been recognised in retained earnings of Rs. 6.35 Lakhs as at the date of transition and subsequently in the profit or loss for the year ended March 31, 2017 of Rs. 5.61 Lakhs.

##### Note 2: Fair Valuation of Investment in Mutual Funds

Under the previous GAAP, investments in mutual funds were classified as current investments based on the intended holding period and realisability. Current investments were carried at lower of cost and fair value. Under Ind AS, these investments are required to be measured at fair value. The resulting fair value changes of these investments have been recognised in retained earnings of Rs. 154.02 Lakhs as at the date of transition and subsequently in the profit or loss for the year ended March 31, 2017 of Rs. 272.05 Lakhs.

##### Note 3: Deferred Tax

Deferred tax have been recognised on transition to Ind AS as per balance sheet approach on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

##### Note 4: Trade Receivables

As per Ind AS 109, the Company is required to apply expected credit loss model for recognising the allowance for doubtful debts. As a result, the allowance for doubtful debts increased by Rs. 168.94 Lakhs as at March 31, 2017 (as at April 1, 2016— Rs. 99.20 Lakhs).

(All amounts in INR lakhs, unless otherwise stated)

**Note 5: Proposed Dividend**

Under the previous GAAP, dividends proposed by the board of directors after the balance sheet date but before the approval of the financial statements were considered as adjusting events. Accordingly, provision for proposed dividend was recognised as a liability. Under Ind AS, such dividends are recognised when the same is approved by the shareholders in the general meeting. Accordingly, the liability for proposed dividend as at April 1, 2016 included under provisions has been reversed with corresponding adjustment to retained earnings. Consequently, the total equity increased by an equivalent amount of Rs. 111.40 Lakhs.

**Note 6: Excise Duty**

Under the previous GAAP, revenue from sale of products was presented exclusive of excise duty. Under Ind AS, revenue from sale of goods is presented inclusive of excise duty. The excise duty paid is presented on the face of the statement of profit and loss as part of expenses. This change has resulted in an increase in total revenue and total expenses for the year ended March 31, 2017 by Rs. 4,677.85 Lakhs. There is no impact on the total equity and profit.

**Note 7: Remeasurements of Post-Employment Benefit Obligations**

Under Ind AS, remeasurements i.e. actuarial gains and losses are recognised in other comprehensive income instead of profit or loss. Under the previous GAAP, these remeasurements were forming part of the profit or loss for the year. As a result of this change, the profit for the year ended March 31, 2017 decreased by Rs. 2.54 Lakhs. There is no impact on the total equity as at March 31, 2017.

**Note 8: Leasehold Land**

This pertains to adjustment pertaining to leasehold land assessed as finance lease.

**Note 9: Transaction Cost on Buy Back of Equity Shares**

Under the previous GAAP, transaction cost of Rs. 24.53 lakhs on buy back of equity shares are charged to statement of profit and loss in the period in which they are incurred. Under Ind AS, such transaction costs on buy back of equity shares are accounted for as a deduction from equity since such transactions are made with owners of the company.

**Note 10: Retained Earnings**

Retained earnings as at 1 April, 2016 has been adjusted consequent to the above Ind AS transition adjustments.

**Note 11: Other Comprehensive Income**

Under Ind AS, all items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the statement of profit and loss as 'other comprehensive income' includes remeasurements of defined benefit plans and changes in fair value of FVOCI debt instruments. The concept of other comprehensive income did not exist under Previous GAAP.

**53) Accounting standards and amendments issued but not yet effective as at 31 March 2018**

**Ind AS 115, Revenue from contracts with customers**

Ind AS 115, Revenue from contracts with customers deals with revenue recognition and establishes principles for reporting useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from an entity's contracts with customers. Revenue is recognised when a customer obtains control of a promised good or service and thus has the ability to direct the use and obtain the benefits from the good or service in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services. The standard replaces Ind AS 18 Revenue and Ind AS 11 Construction contracts and related appendices.

A new five-step process must be applied before revenue can be recognised:

1. Identify contracts with customers
2. Identify the separate performance obligation
3. Determine the transaction price of the contract
4. Allocate the transaction price to each of the separate performance obligations, and
5. Recognise the revenue as each performance obligation is satisfied.

The new standard is mandatory for financial years commencing on or after April 1, 2018 and early application is not permitted. The standard permits either a full retrospective or a modified retrospective approach for the adoption.

The Company is in the process of assessing the detailed impact of Ind AS 115. Presently, the Company is not able to reasonably estimate the impact that application of Ind AS 115 is expected to have on its financial statements.

#### **Appendix B to Ind AS 21, Foreign currency transactions and advance consideration**

The MCA has notified Appendix B to Ind AS 21, foreign currency transactions and advance consideration. The appendix clarifies how to determine the date of transaction for the exchange rate to be used on initial recognition of a related asset, expense or income where an entity pays or receives consideration in advance for foreign currency-denominated contracts.

For a single payment or receipt, the date of the transaction should be the date on which the entity initially recognises the non-monetary asset or liability arising from the advance consideration (the prepayment or deferred income/contract liability). If there are multiple payments or receipts for one item, date of transaction should be determined as above for each payment or receipt.

The appendix can be applied:

- Retrospectively for each period presented applying Ind AS 8;
- Prospectively to items in scope of the appendix that are initially recognised
- On or after the beginning of the reporting period in which the appendix is first applied (i.e. April 1, 2018 for entities with March year-end); or
- From the beginning of a prior reporting period presented as comparative information (i.e. April 1, 2017 for entities with March year-end).

Management has assessed the effects of applying the appendix to its foreign currency transactions for which consideration is received in advance. The Company has evaluated the effect of this on the financial statements and impact is not material. Company to adopt the amendments prospectively to items in scope of the appendix that are initially recognised on or after the beginning of the reporting period in which the appendix is first applied (i.e. from April 1, 2018).

#### **Amendments to Ind AS 12 Income taxes regarding recognition of deferred tax assets on unrealized losses**

The amendments clarify the accounting for deferred taxes where an asset is measured at fair value and that fair value is below the asset's tax base. They also clarify certain other aspects of accounting for deferred tax assets set out below:

- A temporary difference exists whenever the carrying amount of an asset is less than its tax base at the end of the reporting period.
- The estimate of future taxable profit may include the recovery of some of an entity's assets for more than its carrying amount if it is probable that the entity will achieve this.
- Where the tax law restricts the source of taxable profits against which particular types of deferred tax assets can be recovered, the recoverability of the deferred tax assets can only be assessed in combination with other deferred tax assets of the same type.
- Tax deductions resulting from the reversal of deferred tax assets are excluded from the estimated future taxable profit that is used to evaluate the recoverability of those assets. This is to avoid double counting the deductible temporary differences in such assessment.

An entity shall apply the amendments to Ind AS 12 retrospectively in accordance with Ind AS 8 for the financial statements presented on or after 1 April 2018. However, on initial application of the amendment, the change in the opening equity of the earliest comparative period may be recognised in opening retained earnings (or in another component of equity, as appropriate), without allocating the change between opening retained earnings and other components of equity.

The Company has evaluated the impact of the amendments on its investments in equity shares and mutual funds and has concluded that the amendment has no impact on its financial statements as on March 31, 2017 and March 31, 2018.

The Company shall apply the amendments to Ind AS 12 retrospectively in accordance with Ind AS 8 and shall take effect of transition adjustment for earliest period presented for balance sheet as on March 31, 2019.

# INDEPENDENT AUDITOR'S REPORT

## TOTHE MEMBERS OF MAYUR UNIQUOTERS LIMITED

### Report on the Consolidated Indian Accounting Standards (Ind AS) Financial Statements

1. We have audited the accompanying consolidated Ind AS financial statements of Mayur Uniquoters Limited (“hereinafter referred to as the Holding Company”) and its subsidiary (the Holding Company and its subsidiaries together referred to as “the Group”), (refer Note 1(b) to the attached consolidated Ind AS financial statements), comprising of the consolidated Balance Sheet as at March 31, 2018, the consolidated Statement of Profit and Loss(including Other Comprehensive Income), the consolidated Cash Flow Statement for the year then ended and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information prepared based on the relevant records (hereinafter referred to as “the Consolidated Ind AS Financial Statements”).

### Management's Responsibility for the Consolidated Ind AS Financial Statements

2. The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as “the Act”) that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated cash flows and changes in equity of the Group in accordance with accounting principles generally accepted in India including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which has been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

### Auditors' Responsibility

3. Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act and the Rules made thereunder including the accounting standards and matters which are required to be included in the audit report.
4. We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.
5. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view, in order to

design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

6. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph 9 of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated Ind AS financial statements.

#### **Basis for Qualified Opinion**

7. We draw your attention to Note 38 to the consolidated Ind AS financial statements, regarding compliance with Payment of Wages Act, 1936 and other applicable labour laws by the Holding Company. In the ordinary course of business, a company which is subject to labour laws is required to pay overtime wages as twice of the ordinary wages. However, in the absence of sufficient appropriate audit evidence due to non-availability of time booking records with sufficient details, we are unable to determine whether the Holding Company is required to pay any such overtime wages. Accordingly, we are unable to comment on the impact of the aforesaid on Employee Benefits Expenses and Contract Labour Charges and related liabilities included in these consolidated Ind AS financial statements.

#### **Qualified Opinion**

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and, except for the indeterminate effects of the matter referred to in the Basis for Qualified Opinion paragraph above, give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group as at March 31, 2018, and their consolidated total comprehensive income (comprising of consolidated profit and consolidated other comprehensive income), their consolidated cash flows and consolidated changes in equity for the year ended on that date.

#### **Other Matters**

9. We did not audit the financial information of one subsidiary whose financial information reflect total assets of Rs 5,709.87 Lakhs and net assets of Rs 567.42 Lakhs as at March 31, 2018, total revenue of Rs 12,330.59 Lakhs, total comprehensive income (comprising of profit and other comprehensive income) of Rs 224.91 Lakhs and net cash flows amounting to Rs 89.25 Lakhs for the year ended on that date, as considered in the consolidated Ind AS financial statements. These financial information have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the consolidated Ind AS financial statements insofar as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of sub-section (3) of Section 143 of the Act insofar as it relates to the aforesaid subsidiary, is based solely on the report of the other auditors.
10. The comparative financial information of the Group for the year ended March 31, 2017 and the transition date opening balance sheet as at April 1, 2016 included in these consolidated Ind AS financial statements, are based on the previously issued statutory financial statements for the years ended March 31, 2017 and March 31, 2016 prepared in accordance with the Companies (Accounting Standards) Rules, 2006 (as amended) which were audited by the predecessor auditor, who expressed an unmodified opinion vide reports dated May 29, 2017 and May 27, 2016, respectively. The adjustments to those financial statements for the differences in accounting principles adopted by the Group on transition to the Ind AS have been audited by us.

Our opinion is not qualified in respect of these matters.

## Report on Other Legal and Regulatory Requirements

11. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and except for the matter described in the Basis for Qualified Opinion paragraph above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
- (b) In our opinion, except for the indeterminate effects of the matter described in the Basis for Qualified Opinion paragraph above, proper books of account as required by law maintained by the Holding Company, including relevant records relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and records of the Holding Company.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained by the Holding Company including relevant records relating to the preparation of the consolidated Ind AS financial statements.
- (d) In our opinion, except for the indeterminate effect of the matter described in the Basis for Qualified Opinion paragraph above, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2018 taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding Company is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our comments in Paragraph 11 (b) above.
- (g) As there are no subsidiaries incorporated in India, this report does not contain a separate report on the internal financial controls with reference to financial statements of the Group under Clause (i) of Sub-section 3 of Section 143 of the Act
- (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The consolidated Ind AS financial statements disclose the impact, if any, of pending litigations as at March 31, 2018 on the consolidated financial position of the Group— Refer Note 37 to the consolidated Ind AS financial statements.
  - ii. The Group does not have derivative contracts and in respect of other long-term contracts there are no material foreseeable losses as at March 31, 2018.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company during the year ended March 31, 2018.
  - iv. The reporting on disclosures relating to Specified Bank Notes is not applicable to the Holding Company for the year ended March 31, 2018.

## Notes to the Consolidated Financial Statements

### Background

Mayur Uniquoters Limited ('the Company') is a Company limited by shares, incorporated and domiciled in India. The Company, together with its subsidiary (collectively referred to as 'the Group') is primarily in the business of manufacturing and sales of Coated Textile Fabrics which are widely used in different segments such as Footwear, Furnishings, Automotive OEM, Automotive replacement market, and Automotive Exports. The equity shares of the Company are presently listed with BSE Limited (BSE) and National Stock Exchange of India Limited (NSE).

The consolidated financial statements were approved and authorised for issue with a resolution of the Company's Board of Directors on May 30, 2018.

### Note 1: Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these consolidated financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated. The consolidated financial statements are for the group consisting of Mayur Uniquoters Limited (the 'Company') and its subsidiary.

#### (a) Basis of preparation

##### (i) Compliance with Ind AS

The consolidated financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The consolidated financial statements up to year ended March 31, 2017 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act ("previous GAAP").

These consolidated financial statements are the first consolidated financial statements of the Group under Ind AS. Refer note 52 for an explanation of how the transition from previous GAAP to Ind AS has affected the Group's financial position, financial performance and cash flows.

##### (ii) Historical cost convention

The consolidated financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets that are measured at fair value; and
- defined benefit plans – plan assets measured at fair value.

##### (iii) Current versus non-current classification

The Group presents assets and liabilities in the Balance Sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle, or
- Held primarily for the purpose of trading, or
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle, or
- It is held primarily for the purpose of trading, or
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The Operating cycle is the time between acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has determined its operating cycle as twelve months.

## (b) Principles of consolidation

### (i) Subsidiaries

Subsidiaries are all entities over which the group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

The Subsidiary considered in the consolidated financial statements is:

Name of the Subsidiary	Country of incorporation	Ownership Interest/Voting Power (%)	Financial Year ends on
Mayur Uniquoters Corp.	United States of America	100%	March 31,

## (c) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of Mayur Uniquoters Limited assesses the financial performance and position of the Group, and makes strategic decisions and have been identified as CODM. Refer note 43 for segment information presented.

## (d) Foreign currency translation

### (i) Functional and presentation currency

Items included in the consolidated financial statements of each of the Group's entities are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The consolidated financial statements are presented in Indian rupee (INR), which is Mayur Uniquoters Limited's functional and presentation currency.

### (ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in the statement of profit and loss.

Foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income or other expenses. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Transaction differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. For example, translation differences on non-monetary assets and liabilities such as equity instruments held at fair value through profit or loss are recognised in the statement of profit and loss as part of the fair value gain or loss and translation differences on non-monetary assets such as equity investments classified as FVOCI are recognised in other comprehensive income.

### (iii) Group companies

The results and financial position of foreign subsidiary having a functional currency different from the presentation currency are translated into the presentation currency as follows:

Assets and liabilities are translated at the closing rate at the date of that balance sheet.

Income and expenses are translated at average exchange rates (unless this is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated at the dates of the transactions), and

All resulting exchange differences are recognised in other comprehensive income.

When a foreign operation is sold, the associated exchange differences are reclassified to the statement of profit and loss, as part of the gain or loss on sale.

### (e) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, rebates, Goods and Service tax (GST) and amounts collected on behalf of third parties.

The Group recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Group and specific criteria have been met for each of the Group's activities as described below.

#### **Sale of goods:**

Timing of recognition: Sales are recognised when significant risk and rewards of ownership of products are passed to the customers, usually on delivery, and the Group neither retains continuing managerial involvement to the extent usually associated with ownership nor effective control over the goods sold.

Measurement of revenue: The products are often sold with volume discounts and customers have a right to return faulty products. Revenue from sales is based

on the price specified in the sales contracts, net of the estimated volume discounts and returns at the time of sale. Accumulated experience is used to estimate and provide for the discounts and returns. The volume discounts are assessed based on anticipated annual purchases. When the inflow of cash or cash equivalents is deferred, fair value of the consideration is determined by discounting all future receipts using an imputed rate of interest. The difference between the fair value and the nominal amount of the consideration is recognised as interest revenue in accordance with Ind AS 109.

### (f) Government grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions.

Government grants relating to income are deferred and recognised in the statement of profit and loss over the period necessary to match them with the costs that they are intended to compensate. Government grants related to subsidy in interest rate are presented by deducting the grant from the expense which they relate to and presented within other income.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to the statement of profit and loss on a straight-line basis over the expected useful lives of the related assets and presented within other income.

### (g) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the company and its subsidiary operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is

subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax liabilities are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries where the group is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries where it is not probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary difference can be utilised.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle

on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the statement of profit and loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

## **(h) Leases**

### **As a lessee**

Leases of property, plant and equipment where the Group, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalised at the inception of leases at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the statement of profit and loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Group as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to the statement of profit and loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

## **(i) Impairment of assets**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable

cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

The Group bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Group's cash-generating units to which the individual assets are allocated.

Impairment losses are recognised in the statement of profit and loss. After impairment depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

An assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the Group estimates the asset's or cash-generating unit's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit and loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

#### **(j) Cash and cash equivalents**

For the purpose of presentation in the cash flow statement, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

#### **(k) Trade receivables**

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

#### **(l) Inventories**

Raw materials and stores, work in progress and finished goods are stated at the lower of cost and net realisable value. Cost of raw materials comprises cost of purchases. Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity.

Costs of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on the basis of weighted average cost basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

#### **(m) Investments and other financial assets**

##### **(i) Classification**

The Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in the statement of profit and loss other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the group has made an

irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Group reclassifies debt investments when and only when its business model for managing those assets changes.

## (ii) Measurement

At initial recognition, the Group measures a financial asset at its fair value plus, in case of financial instruments not at fair value through profit or loss, transaction cost that are directly attributable to the acquisition of financial asset. Transaction cost related to financial asset carried at fair value through profit or loss are expensed in the statement of profit and loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

## Debt instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the group classifies its debt instruments:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in the statement of profit and loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.
- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in

the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in the statement of profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from OCI to the statement of profit and loss and recognised in other income or other expenses. Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gain and losses are presented in other income or other expenses and impairment expenses in other expenses.

- **Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised and presented net in the statement of profit and loss within other income or other expenses in the period in which it arises. Dividend and Interest income from these financial assets is included in other income.

## Equity instruments

The Group subsequently measures all equity investments at fair value. Where the Group has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to the statement of profit and loss. Dividends from such investments are recognised in the statement of profit and loss as other income when the Group's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other income or other expenses in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

### **(iii) Impairment of financial assets**

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk of financial asset since initial recognition. Note 47 details how the Group determines whether there has been a significant increase in credit risk. For trade receivables only, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

For recognition of impairment loss on other financial assets, the Group assesses whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. For assessing increase in credit risk and impairment loss, the Group assesses the credit risk characteristics on instrument-by-instrument basis. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL. The amount of expected credit loss (or reversal) for the period is recognised as expense/income in the statement of profit and loss.

### **(iv) Derecognition of financial assets**

A financial asset is derecognised only when

- The Group has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where an asset has been transferred, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial

asset. In such cases, the financial asset is derecognised. Where the Group has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Group has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

### **(v) Income recognition**

#### **Interest income**

Interest is recognised using the effective interest rate (EIR) method, as income for the period in which it occurs. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses

#### **Dividends**

Dividends are recognised in the statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of the dividend can be measured reliably.

### **(n) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable

in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

### (o) Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the statement of profit and loss during the reporting period in which they are incurred.

#### Transition to Ind AS

On transition to Ind AS, the Group has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

#### Depreciation methods, estimated useful lives and residual value

Depreciation on property, plant and equipment has been provided at the Straight Line Method on the basis of useful life of assets as prescribed in part C of Schedule II of the Companies Act, 2013 to allocate their cost, net of their residual values, over their estimated useful lives as follows-

- Freehold Building 30 years
- Plant and Machinery 10-15 years
- Furniture and Fixtures 10 years
- Vehicles 8 years
- Office Equipments 5 years
- Computers and Data processing units 3-6 years

Depreciation on additions and deletion during the year has been provided on pro rata basis with reference to the date of addition and deletion.

In respect of certain items of plant and machinery, depreciation is provided for based on number of shifts worked during the year.

The property, plant and equipment acquired under finance leases is depreciated over the asset's useful life or over the shorter of the asset's useful life and the lease term if there is no reasonable certainty that the Group will obtain ownership at the end of the lease term

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the statement of profit and loss within other income or other expenses.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under non-current assets.

### (p) Intangible assets

Intangible assets that are acquired by the Group are measured initially at cost. All intangible assets are with finite useful lives and are measured at cost less accumulated amortisation.

#### Amortisation and useful lives

Intangible assets are amortised over the useful life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method are reviewed at the end of each reporting period. The amortisation expense on intangible assets is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Intangible assets comprise computer software having an estimated useful life of 4 years.

## Transition to Ind AS

On transition to Ind AS, the Group has elected to continue with the carrying value of all of intangible assets recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

### (q) Trade and other payables

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

### (r) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the statement of profit and loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

### (s) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

### (t) Provisions and Contingent Liabilities

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent Liabilities: Contingent liabilities are disclosed when:

- there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group, or
- a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

### (u) Employee benefits

#### (i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid

when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

## **(ii) Other long-term employee benefit obligations**

The liabilities for leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the statement of profit and loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

## **(iii) Post-employment obligations**

The group operates the following post-employment schemes:

- (a) defined benefit gratuity plan
- (b) defined contribution plans (provident fund).

### **Gratuity obligations**

The Group contributes to the Gratuity Fund managed by the Life Insurance Corporation of India under its Group Gratuity (Cash Accumulation) Scheme.

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the

estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in the statement of profit and loss as past service cost.

### **Defined contribution plans**

The Group pays provident fund contributions to publicly administered provident funds as per local regulations. The Group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

## **(v) Contributed equity**

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

## **(w) Dividends**

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

## (x) Earnings per share

### (i) Basic earnings per share/ Diluted earnings per share

Basic earnings per share/ Diluted earnings per share is calculated by dividing:

- the profit attributable to owners of the Group by the weighted average number of equity shares outstanding during the financial year, adjusted for buy back of equity shares during the year (note 35).

## (y) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Normally at initial recognition, the transaction price is the best evidence of fair value.

However, when the Group determines that transaction price does not represent the fair value, it uses inter-alia valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimising the use of unobservable inputs.

All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy. This categorisation is based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Financial assets and financial liabilities that are recognised at fair value on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation at the end of each reporting period.

## (z) Rounding of amounts

All amounts disclosed in the consolidated financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

## Note 2: Critical estimates and judgments

The preparation of consolidated financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Group's accounting policies. This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the consolidated financial statements.

### Critical estimates and judgements

The areas involving critical estimates or judgements are:

- Estimation of defined benefit obligation – Note 23
- Impairment of trade receivables – Note 47

Estimation and judgements are continuously evaluated. They are based on historical experience and other factors including expectation of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances.

### 3a) Property, Plant and Equipment

(All amounts in INR lakhs, unless otherwise stated)

**i) Leased assets:**

Land includes the following amounts where the Group is a lessee under a finance lease:

	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
<b>Leasehold Land</b>			
Cost/Deemed Cost	1,015.77	48.91	48.91
Accumulated Depreciation	6.17	0.64	-
Net Carrying Amount	1,009.60	48.27	48.91

**Leasehold Land**

The lease term in respect of land acquired at Gwalior in current year under finance lease is 99 years. Under the terms of the lease, the group has the option to renew the lease term for the period of 99 years on expiry of the leases on terms and conditions as mutually agreed between the parties. With respect to leasehold land acquired in the current year at Gwalior, upfront payment is made at the inception of lease contract with annual lease payment to be made thereafter.

The lease term in respect of land acquired at Jaitpura is 99 years. Upfront payment for 30 years is made at the inception of lease contract and further payment for balance 69 years is required to be made after the expiry of lease term of 30 years.

**ii) Property, Plant and Equipment pledged as security**

The carrying amount of assets pledged as security for current and non-current borrowings are:

	Notes	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016

(All amounts in INR lakhs, unless otherwise stated)

### iii) Capital Work-in-Progress

As at March 31, 2018: Capital work-in-progress mainly comprises of new manufacturing unit being constructed at Gwalior, India and raw material godown at Dhodsar, India.

As at March 31, 2017: Capital work-in-progress mainly comprises of building, plant and machinery, electrical installation and equipments at Dhodsar, India.

As at April 1, 2016: Capital work-in-progress mainly comprises of building at Dhodsar, India.

### iv) Contractual obligations

Refer note 39(a) for disclosure of contractual commitments for the acquisition of property, plant and equipment.

### 3b) Intangible Assets

#### Nature and purpose of reserves

##### a) Securities premium reserve

Securities premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Act.

##### b) FVOCI Debt instruments

The fair value changes in debentures fair value through Other Comprehensive Income are accumulated within the FVOCI debenture reserve within equity. The Group transfers amounts from this reserve to Retained Earnings when the relevant debentures are sold.

##### c) Capital Redemption Reserve

Statutory reserve created on buy back of shares equivalent to face value of the equity shares bought back under the provisions of the Act. Such reserve could be used for issue of bonus shares.

##### d) Foreign Currency Translation Reserve

Exchange differences arising on translation of the foreign operations are recognised in other comprehensive income as described in accounting policy and accumulated in a separate reserve within equity. The cumulative amount is reclassified to profit or loss when the net investment is disposed off.

<b>23) Current Employee Benefit Obligations</b>			
Gratuity (Net of Plan Assets)	14.72	-	29.37
Leave Encashment (Net of Plan Assets)	16.80	4.08	3.79
<b>Total</b>	<b>31.52</b>	<b>4.08</b>	<b>33.16</b>

**(A) Leave Obligations**

The entire amount of the provision of Rs. 16.80 Lakhs (As at March 31, 2017: Rs. 4.08 Lakhs ; As at April 1, 2016: Rs. 3.79 Lakhs) is presented as current, since the group does not have an unconditional right to defer settlement for any of these obligations. However, based on past experience, the group does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months. The following amounts reflect leave that is not expected to be taken or paid within the next 12 months:

	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
Leave obligations not expected to be settled within the next 12 months (Gross)	69.69	79.81	65.02

The Group contributes to the Leave Encashment Fund managed by the Life Insurance Corporation of India under its Group Leave Encashment Scheme. The liability for Leave Encashment is determined on the basis of independent actuarial valuation done at year end. Plan assets are measured at fair value as at Balance Sheet date.

**(B) Post-Employment Obligations**

**(a) Defined Contribution Plans**

The Group also has defined contribution plan for its employees' retirement benefits comprising of Provident Fund & Employees' State Insurance Fund. The group and eligible employees make monthly contribution to the above mentioned funds at a specified percentage of the covered employees salary. The obligation of the group is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the period towards Provident Fund is Rs. 51.38 lakhs (As at March 31, 2017: Rs. 42.75 lakhs). The expense recognised during the period towards Employees' State Insurance is Rs. 16.41 lakhs (As at March 31, 2017: Rs. 11.40 lakhs).

**(b) Defined Benefit Plans**

**Gratuity**

The Group provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is a funded plan and the Group makes contributions to fund managed by the Life Insurance Corporation of India.

(ii) The net liability disclosed above relates to funded plan is as follows:

	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
Present Value of Funded Obligations	274.92	223.49	207.87
Fair Value of Plan Assets	257.19	228.16	178.50
<b>Deficit/(Surplus) of Funded Plans</b>	<b>17.73</b>	<b>(4.67)</b>	<b>29.37</b>

(iii) The Significant Actuarial Assumptions were as Follows:

Discount rate	7.70%	8.00%	8.00%
Salary Growth Rate	7.50%	7.00%	8.00%
Retirement Age	60 Years	60 Years	60 Years
Mortality Rate	100%	100%	100%
<b>Attrition Rate</b>			
Up to 30 Years	10.00%	3.00%	3.00%
31-44 Years	10.00%	2.00%	2.00%
Above 44 Years	10.00%	1.00%	1.00%

(iv) Sensitivity Analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Particulars	Increase/Decrease		Impact on Defined Benefit Obligation			
	Change in Assumption		Increase in Assumption		Decrease in Assumption	
	As at March 31, 2018	As at March 31, 2017	As at March 31, 2018	As at March 31, 2017	As at March 31, 2018	As at March 31, 2017
Discount Rate	1.00%	1.00%	-6.30%	-11.80%	7.20%	14.30%
Salary Growth Rate	1.00%	1.00%	6.50%	12.60%	-5.90%	-11.10%
Attrition Rate	50.00%	50.00%	0.50%	0.90%	-1.00%	-1.00%
Mortality Rate	10.00%	10.00%	0.00%	0.10%	0.00%	0.00%

(All amounts in INR lakhs, unless otherwise stated)

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

**(v) The major categories of plans assets are as follows:**

	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
Funds Managed by Insurer	100%	100%	100%
<b>Total</b>	<b>100%</b>	<b>100%</b>	<b>100%</b>

**(vi) Risk Exposure**

Through its defined benefit plans, the Group is exposed to a number of risks, the most significant of which are detailed below:

**Interest Rate Risk:** The plan exposes the group to the risk of fall in the Interest Rates. A fall in the Interest Rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statement).

**Salary Escalation Risk:** The present value of the defined benefit plan is calculated with assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plans liability.

**Demographic Risk:** The Group has used certain mortality and attrition assumption in valuation of the Liability. The Group is exposed to the risk of the actual experience turning out to be worse.

**Regulatory Risk:** Gratuity benefit is paid in accordance with the requirement of the payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulation requiring higher gratuity payouts.

**Liquidity Risk :** This is the risk that the Group is not able to meet the short-term gratuity payouts. This may arise due to non availability of enough cash / cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

**Asset Liability Mismatching or Market Risk:** The duration of the liability is longer compared to duration of assets, exposing the Group to market risk for volatilities/ fall in interest rate.

**Investment Risk :** The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

**(vii) Defined Benefit Liability and Employer Contributions**

The Group's best estimate of contribution towards post-employment benefit plans for the year ending March 31, 2019 are Rs. 47.64 Lakhs.

The weighted average duration of the defined benefit obligation is 7 years (As at March 31, 2017: 12 years ; As at April 1, 2016: 14 years). The expected maturity analysis of undiscounted gratuity is as follows:

	Less than a year	Between 1 - Less than 5 years	Between 5 - Less than 10 years	10 years or More	Total
<b>As at March 31, 2018</b>					
Defined Benefit Obligation	46.72	110.27	136.77	232.58	526.34
<b>Total</b>	<b>46.72</b>	<b>110.27</b>	<b>136.77</b>	<b>232.58</b>	<b>526.34</b>
<b>As at March 31, 2017</b>

<b>Closing Balance</b>	<b>251.67</b>	<b>219.29</b>
<b>26) Revenue from Operations</b>		
Sale of Products (Including Excise Duty) :		
Finished Goods :		
Export Sales	16,316.68	13,798.91
Domestic Sales	41,095.89	37,510.22
	57,412.58	51,309.13
Other Operating Revenue		
Export Incentives	298.31	269.76
Scrap Sales and Others	432.05	449.68
	730.36	719.44
<b>Total</b>	<b>58,142.94</b>	<b>52,028.57</b>

Goods and service tax (GST) has been effected from July 1, 2017 in India. Consequently excise duty, value added tax, service tax etc. have been replaced with GST. Until June 30, 2017 "Sale of products" included the amount of excise duty recovered on sale. With effect from July 01, 2017 sale of products excludes the amount of GST recovered. Accordingly, revenue from sale of products for the year ended March 31, 2018 is not comparable with that of the previous year. The following additional information is being provided to facilitate such understanding:

	Year Ended March 31, 2018	Year Ended March 31, 2017
Revenue from Operations (Sale of Products)	57,412.58	51,309.13
Less: Excise Duty	1,145.66	4,677.85

(c) Income Tax Matters	167.36	151.54	151.54

(a) It is not practicable for the Group to estimate the timings of cash outflows, if any, in respect of the above pending resolution of the respective proceedings.

(b) The Group does not expect any reimbursements in respect of the above contingent liabilities.

**38)** The Company is in the process of exploring a comprehensive automated attendance recording system to capture and maintain sufficient details including time worked by its own as well as contractual workers. Based on the current practice followed by the Company and available manual records, the Company's management is of the view that it has complied with the Payment of Wages Act, 1936 and other applicable labour laws.

### 39) Commitments

#### (a) Capital Commitments

	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
Capital expenditure contracted for at the end of the reporting period but not recognised as liabilities [Net of capital advance of Rs. 0.04 Lakhs (As at March 31, 2017: Rs. 448.70 Lakhs ; As at April 1, 2016: Rs. 12.26 Lakhs)]	333.74	1,173.13	107.75

#### (b) Operating leases

The Group leases offices under operating leases expiring within five years. The leases have varying terms and renewal rights. On renewal, the terms of the leases are renegotiated. Commitments for minimum lease payments in relation to non-cancellable operating leases are payable as follows:

	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
Within one year	6.82	0.61	25.84
Later than one year but not later than five years	59.20	102.51	1.64
Later than five years	-	-	-

Lease payments recognized for operating leases in the Statement of Profit and Loss for the year ended on March 31, 2018: Rs. 132.92 Lakhs (As at March 31, 2017: Rs. 110.70 Lakhs)

The Group has not given any assets on sub-lease during the year.

#### Finance Lease

The minimum lease payments as at March 31, 2018 and its present value in respect of leasehold land at Gwalior acquired under finance lease are as follows:

	As at March 31, 2018		
	Future Minimum Lease Payments	Finance Cost	Present Value of Minimum Lease Payments
Within one year	15.83	-	15.83
Later than one year but not later than five years	63.31	63.30	0.01
Later than five years	1,471.95	1,313.70	158.25

**40) Due to Micro, Small and Medium Enterprises**

(All amounts in INR lakhs, unless otherwise stated)

The Group has certain dues to suppliers registered under Micro, Small and Medium Enterprises Development Act, 2006 ('MSMED Act').

The disclosure pursuant to the said MSMED Act are as follows:

	Year Ended March 31, 2018	Year Ended March 31, 2017	Year Ended March 31, 2016
Principal amount due to suppliers registered under the MSMED Act and remaining unpaid as at year end	3.92	-	-
Interest due to suppliers registered under the MSMED Act and remaining unpaid during the year	0.02	-	-
Principal amount paid to suppliers registered under the MSMED Act, beyond the appointed day during the year	-	-	-
Interest paid, other than under Section 16 of MSMED Act, to suppliers registered under the MSMED Act, beyond the appointed day during the year	-	-	-
Interest paid, under Section 16 of MSMED Act, to suppliers registered under the MSMED Act, beyond the appointed day during the year	-	-	-
Interest due and payable towards suppliers registered under MSMED Act, for payments already made	-	-	-
Further interest remaining due and payable for earlier year	-	-	-
<b>Total</b>	<b>3.94</b>	<b>-</b>	<b>-</b>

**41) Corporate Social Responsibility Expenditure**

	Year Ended March 31, 2018	Year Ended March 31, 2017
(i) Gross amount required to be spent by the Company during the year	224.01	200.95
(ii) Amount spent during the year		
(A) In Cash		
(i) Construction/Acquisition of any Asset	-	-
(ii) On purpose other than (i) above		
1. Promoting Health Care Including Preventing Health Care	13.47	6.97
2. Promotion of Education	86.55	29.96
3. Employment Enhancing Vocational Skill	4.00	-
4. Eradicating Malnutrition	3.14	-
5. Welfare of Scheduled Tribes	20.00	-
6. Promotion of Rural Sports	0.89	1.61
7. Sanitation	32.23	-
8. Ensuring Environmental Sustainability	-	5.48
9. Rural Projects	-	1.26
<b>Total</b>	<b>160.28</b>	<b>45.28</b>
(B) Yet to be Paid in Cash		
1. Promoting Health Care Including Preventing Health Care	2.78	2.39
2. Promotion of Education	10.36	2.38
3. Rural Projects	-	1.39
<b>Total</b>	<b>13.14</b>	<b>6.16</b>
<b>Grand Total</b>	<b>173.42</b>	<b>51.44</b>

(All amounts in INR lakhs, unless otherwise stated)

- 42) During the previous year, the Company had Specified Bank Notes (SBNs) or other denomination notes as defined in the MCA notification, G.S.R.308(E), dated March 31, 2017. The details of SBNs held and transacted during the period from November 8, 2016 to December 30, 2016. The denomination-wise SBNs and other notes as per the notification are as follows:

Particulars	SBNs*	Other Denomination Notes	Total
Closing Cash in hand as on November 8, 2016	5.94	0.15	6.09
Add: Permitted Receipts	-	13.53	13.53
Less: Permitted Payments	0.76	9.53	10.29
Less: Amount Deposited in Banks	5.18	-	5.18
<b>Closing Cash in hand as on December 30, 2016</b>	<b>-</b>	<b>4.15</b>	<b>4.15</b>

\*For the purposes of this clause, the term 'Specified Bank Notes' shall have the same meaning provided in the notification of the Government of India, in the Ministry of Finance, Department of Economic Affairs number S.O.3407(E), dated November 8, 2016.

#### 43) Segment Information

The chief operating decision maker (CODM) i.e. the Board of Directors of Mayur Uniquoters Limited reviews the performance of the overall business. As the Group has single reportable segment i.e. PU/PVC synthetic leather, the segment wise disclosure requirements of Ind AS 108 on operating segment is not applicable. In compliance to the said standard, entity wide disclosures are as under :

Revenues from external customers attributed to the country of domicile and attributed to all foreign countries from which the group derives revenues	Year ended March 31, 2018	Year ended March 31, 2017
Revenue from the Country of Domicile - India	41,826.25	38,221.71
Revenue from Foreign Countries	16,316.69	13,806.86
<b>Total</b>	<b>58,142.94</b>	<b>52,028.57</b>

Property, Plant and Equipment, Intangible Assets, Capital Work-in-Progress and Other Non-Current Assets	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
India	13,664.08	13,664.56	14,268.26
Other Countries	13.82	12.97	14.13
<b>Total</b>	<b>13,677.90</b>	<b>13,677.53</b>	<b>14,282.39</b>

#### Revenue from Major Customers :

There is one customer having revenue amounting to 10% or more of Group's total revenue as per the below details:

	Year Ended March 31, 2018	Year Ended March 31, 2017
One Customer	3,082.38	6,270.75
<b>Total</b>	<b>3,082.38</b>	<b>6,270.75</b>

#### 44) Related Party Transactions

\* The fair values of the Investments is measured using quoted prices and are classified as Level I fair values in the fair value hierarchy

(All amounts in INR lakhs, unless otherwise stated)

**(i) Fair Value Hierarchy**

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded debentures and mutual funds that have quoted price. The fair value of all equity instruments (including debentures) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

**Level 2:** The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between levels 1 and 2 during the year.

The group's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

**(ii) Fair Value of Financial Assets and Liabilities Measured at Amortised Cost**

The carrying amounts of trade receivables, trade payables, capital creditors, cash and cash equivalents, other bank balances, other financial assets, short term borrowings and other financial liabilities are considered to be the same as their fair values, due to their short-term nature.

Majorly the security deposits are redeemable on demand and hence the fair values of security deposits are approximately equivalent to the carrying amount.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 2 fair values in the fair value hierarchy since significant inputs required to fair value an instrument are observable. There is no material difference between carrying amount and fair value of non-current borrowings as on March 31, 2018, March 31, 2017 and April 1, 2016.

**47) Financial Risk Management**

The Group's activities expose it to market risk, liquidity risk and credit risk.

The Group's board of directors has overall responsibility for the establishment and oversight of the Group's risk management framework.

**A) Credit Risk**

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers. The carrying amounts of financial assets represent the maximum credit risk exposure.

A default on a financial asset is when the counterparty fails to make contractual payments as per agreed terms. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

Assets are written off when there is no reasonable expectation of recovery. The Group write offs debtors when they fail to make contractual payment greater than 5 years past due.

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Group compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forward-looking information.

**Trade and Other Receivables**

Credit risk refers to the risk of default on its obligation by the counter party resulting in financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivable amounting to Rs. 10,305.33 Lakhs, Rs. 9,523.58 Lakhs and Rs. 9,771.54 Lakhs as at March 31, 2018, March 31, 2017 and April 1, 2016, respectively. The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate. The Group has a credit risk management policy in place to limit credit losses due to non-performance of financial counterparties and customers. The Group monitors its exposure to credit risk on an ongoing basis at various levels. Outstanding customer receivables are regularly monitored. The Group closely monitor the acceptable financial counterparty credit ratings and credit limits and revise where required in line with the market circumstances.

Due to the geographical spread and the diversity of the Group's customers, the Group is not subject to any significant concentration of credit risks at balance sheet date.

On account of adoption of Ind AS 109, the Group uses a simplified approach (lifetime expected credit loss model) for the purpose of computation of expected credit loss for trade receivables.

(All amounts in INR lakhs, unless otherwise stated)

The Group calculates expected credit loss on its trade receivables using 'allowance matrix' and also takes into account 'delay risk' on trade receivables.

**Significant Estimates:** The impairment provisions for financial assets disclosed above are based on assumptions about risk of default and expected loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period. For trade receivables only, the Group applies the simplified approach permitted by Ind AS 109, "Financial Instruments", which requires expected lifetime losses to be recognised from initial recognition of the receivables.

#### Reconciliation of ECL provision – Trade receivables

<b>ECL provision as on April 1, 2016</b>	<b>163.48</b>
Changes in ECL provision during the year including bad debts written off against provision	47.18
<b>ECL provision as on March 31, 2017</b>	<b>210.66</b>
Changes in ECL provision during the year including bad debts written off against provision	32.61
<b>ECL provision as on March 31, 2018</b>	<b>243.27</b>

#### Cash and Cash Equivalents and Bank Deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits accounts in different banks across the country.

#### Other Financial Assets Measured At Amortised Cost

Other financial assets measured at amortized cost includes security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously.

#### (B) Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding to meet obligations when due. Management monitors rolling forecasts of the group's liquidity position and cash and cash equivalents on the basis of expected cash flows.

#### Maturities of Financial Liabilities

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

#### Contractual Maturities of Financial Liabilities:

	Less than 1 years	1-5 years	More than 5 years
<b>As at March 31, 2018</b>			
Borrowings	394.51	30.06	-
Finance Lease Obligation	15.83	63.31	1,471.95
Trade Payables	6,102.37	-	-
Other Financial Liabilities	584.53	-	-
<b>Total</b>	<b>7,097.24</b>	<b>93.37</b>	<b>1,471.95</b>
<b>As at March 31, 2017</b>			
Borrowings	845.59	405.06	-
Trade Payables	5,880.59	-	-
Other Financial Liabilities	528.82	-	-
<b>Total</b>	<b>7,255.00</b>	<b>405.06</b>	<b>-</b>
<b>As at April 1, 2016</b>			
Borrowings	1,685.78	994.78	-
Trade Payables	4,638.65	-	-
Other Financial Liabilities	576.68	-	-
<b>Total</b>	<b>6,901.11</b>	<b>994.78</b>	<b>-</b>

(All amounts in INR lakhs, unless otherwise stated)

**(C) Market risk**

**(i) Foreign currency risk**

The Group operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD, GBP and EUR. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the Group's functional currency (INR). The Group maintains EEFC bank account for export sales realisation which is generally used for repayment of import obligations (arising out of purchase of raw materials, services and capital goods), therefore, the risk is not a material risk to the Group.

The group's exposure to foreign currency risk at the end of the reporting period expressed in INR Lakhs, are as follows:

Exposure to Foreign Currency Risk (Assets)	As at March 31, 2018			As at March 31, 2017			As at April 1, 2016		
	USD	GBP	EUR	USD	GBP	EUR	USD	GBP	EUR
EEFC Account Balance	1,196.66	-	-	781.84	-	-	307.07	-	-
Trade receivables	2,134.73	-	87.47	1,835.04	82.49	-	2,214.99	48.55	-
<b>Exposure to foreign currency risk (liabilities)</b>									
Buyer's Credit	-	-	-	-	-	86.25	1,028.44	-	-
Trade payables	1,689.49	-	150.38	977.36	-	178.66	634.77	-	185.42

**Sensitivity**

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments:

	Impact on Profit After Tax	
	As at March 31, 2018	As at March 31, 2017
USD sensitivity		
INR/USD - Appreciates by 3% (As at March 31, 2017 - 2.5%)	32.04	26.80
INR/USD - Depreciates by 3% (As at March 31, 2017 - 2.5%)	(32.04)	(26.80)
Euro Sensitivity		
INR/Euro - Appreciates by 5% (As at March 31, 2017 - 8%)	(2.05)	13.86
INR/Euro - Depreciates by 5% (As at March 31, 2017 - 8%)	2.05	(13.86)
GBP Sensitivity		
GBP/INR - Appreciates by 5% (As at March 31, 2017 - 1.17%)	-	0.63
GBP/INR - Depreciates by 5% (As at March 31, 2017 - 1.17%)	-	(0.63)

\* Holding all other variables constant

**(ii) Interest Rate Risk**

The exposure of the Group's borrowing to interest rate changes at the end of the reporting period are as follows:

	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
Variable Rate Borrowings	412.60	1,114.79	1,558.78
Fixed Rate Borrowings	174.09	86.25	1,028.44

The Group on a regular basis monitors the changes in interest rate in the market to manage the portfolio of variable rate borrowings.

(All amounts in INR lakhs, unless otherwise stated)

### Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

	Impact on Profit After Tax	
	As at March 31, 2018	As at March 31, 2017
Interest rates — increase by 50 basis points (As at March 31, 2017 - 10 bps)*	8.32	25.75
Interest rates — decrease by 50 basis points (As at March 31, 2017 - 10 bps)*	(6.99)	(24.89)

\* Holding all other variables constant

### (iii) Price Risk

The Group's exposure to price risk arises from equity investments and equity oriented mutual funds held by the Group and classified in the balance sheet as fair value through profit or loss.

To manage its price risk arising from investments in equity securities, the Group diversifies its portfolio. The majority of the Group's equity investments are included in the BSE index.

### Sensitivity

The table below summarises the impact of increases/decreases of the index on the Company's profit for the period. The analysis is based on the assumption that the equity index had increased by 11.30% or decreased by 11.30% with all other variables held constant, and that all the Company's equity instruments moved in line with the index.

	Impact on Profit After Tax	
	As at March 31, 2018	As at March 31, 2017
BSE — increase 11.30% (As at March 31, 2017 — 16.88%)	356.34	82.23
BSE — decrease 11.30% (As at March 31, 2017 — 16.88%)	(356.34)	(82.23)

### 48) Events Occurring after the Reporting Period

Refer to note 49 for the final dividend recommended by the board of directors which is subject to the approval of shareholders in the ensuing annual general meeting.

### 49) Capital Management

The Group's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Group may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt. No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2017 and March 31, 2018.

The Group has complied with the debt covenants as per the terms of borrowing facilities throughout the reporting period.

### Dividends Including Dividend Distribution Tax

	As at March 31, 2018	As at March 31, 2017
<b>(i) Equity Shares</b>		
Final dividend for the year ended March 31, 2017 of Rs. 0.25 (As at March 31, 2016 — Rs. 0.20) per fully paid share	137.75	111.40
Interim dividend for the year ended March 31, 2018 of Rs. 1.15 (As at March 31, 2017 — Rs. 0.75) per fully paid share	631.45	414.73
<b>(ii) Dividends not recognised at the end of the reporting period</b>	136.61	137.75
In addition to the above dividends, since year end the directors have recommended the payment of a final dividend of Rs. 0.25 per fully paid equity share (As at March 31, 2017 — Rs. 0.25). This proposed dividend is subject to the approval of shareholders in the ensuing annual general meeting.		

(All amounts in INR lakhs, unless otherwise stated)

- 50)** The Company has established a comprehensive system of maintenance of information and documents as required by the transfer pricing legislation under sections 92-92F of the Income Tax Act, 1961. For this purpose, the Company has appointed an independent consultant for conducting a Transfer Pricing study (the 'study') for the Assessment Year 2018-19. In the unlikely event that any adjustment is required consequent to completion of the study for the year ended March 31, 2018, the same would be made in the subsequent year. However, management is of the opinion that its international transactions are at arm's length so that the aforesaid legislation will not have any material impact on the financial statements, particularly on the amount of tax expense and that of provision for taxation.

**51) Additional information, as required under schedule III of the Companies Act 2013, of entity consolidated as subsidiary**

\*Percentage has been determined before considering adjustments arising out of consolidation.

**52) First Time Adoption Of Ind AS**

**Transition to Ind AS**

These are the Group's first financial statements prepared in accordance with Ind AS.

The accounting policies set out in note I have been applied in preparing the financial statements for the year ended March 31, 2018, the comparative information presented in these financial statements for the year ended March 31, 2017 and in the preparation of an opening Ind AS balance sheet at April 1, 2016 (The group's date of transition). In preparing its opening Ind AS balance sheet, the Group has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act (previous GAAP or Indian GAAP).

An explanation of how the transition from previous GAAP to Ind AS has affected the group's financial position, financial performance and cash flows is set out in the following tables and notes.

**Exemptions and Exceptions Availed**

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

**Ind AS optional exemptions**

**Deemed cost**

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This exemption can also be used for intangible assets. Accordingly, the Group has elected to measure all of its property, plant and equipment and intangible assets at their previous GAAP carrying value.

(All amounts in INR lakhs, unless otherwise stated)

Ind AS mandatory exceptions

Estimates

An entity's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error. Ind AS estimates as at April 1, 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP. The Group made estimates for following items in accordance with Ind AS at the date of transition as these were not required under previous GAAP:- Impairment of financial assets based on expected credit loss model.

De-recognition of financial assets and liabilities

Ind AS 101 requires a first-time adopter to apply the de-recognition provisions of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. However, Ind AS 101 allows a first-time adopter to apply the de-recognition requirements in Ind AS 109 retrospectively from a date of the entity's choosing, provided that the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognised as a result of past transactions was obtained at the time of initially accounting for those transactions. The Group has elected to apply the de-recognition provisions of Ind AS 109 prospectively from the date of transition to Ind AS.

Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

#### 1) Reconciliations between previous GAAP and Ind AS

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods. The following tables represent the reconciliations from previous GAAP to Ind AS.

##### Reconciliation of equity as at date of transition (As at April 1, 2016) and As at March 31, 2017

	Notes to First-Time Adoption	As at March 31, 2017	As at April 1, 2016
<b>Total equity (shareholder's funds) as per previous GAAP</b>		<b>38,492.68</b>	<b>33,562.93</b>
<b>Adjustments</b>			
Fair Valuation of Equity Investments	1	11.96	6.35
Fair Valuation of Mutual Funds Investments	2	426.07	154.02

<b>Balance Sheet (Extract)</b>	<b>As at April 1, 2016 (Previous GAAP)</b>	<b>Increase/ (Decrease)**</b>	<b>As at April 1, 2016 (Ind AS)</b>
Cash and Cash Equivalents	1,367.11	(144.74)	1,222.37
Other Bank Balances	561.70	144.74	706.44

\*Previous GAAP figures have been reclassified to conform to Ind AS presentation requirements.

\*\*Fixed deposits with banks amounting to Rs. 158.36 Lakhs and Rs. 144.74 Lakhs having an original maturity period of more than 3 months were classified and presented under 'Cash and cash equivalents' both in the balance sheet and in the cash flow statement for the year ended March 31, 2017 and March 31, 2016 respectively, prepared under the previous GAAP. This has been rectified in the comparative information included in these financial statements and the impact on each affected financial statement line item and cash flow statement is disclosed above.

\*\*\*Refer Note 9 below under Notes to first time adoption.

**Notes to first-time adoption:**

**Note 1: Fair Valuation of Equity Investments**

Under the previous GAAP, investments in equity instruments were classified as long-term investments based on the intended holding period and realisability. Long-term investments were carried at cost less provision for other than temporary decline in the value of such investments. Under Ind AS, these investments are required to be measured at fair value. The resulting fair value changes of these investments have been recognised in retained earnings of Rs. 6.35 Lakhs as at the date of transition and subsequently in the profit or loss for the year ended March 31, 2017 of Rs. 5.61 Lakhs.

**Note 2: Fair Valuation of Investment in Mutual Funds**

Under the previous GAAP, investments in mutual funds were classified as current investments based on the intended holding period and realisability. Current investments were carried at lower of cost and fair value. Under Ind AS, these investments are required to be measured at fair value. The resulting fair value changes of these investments have been recognised in retained earnings of Rs. 154.02 Lakhs as at the date of transition and subsequently in the profit or loss for the year ended March 31, 2017 of Rs. 272.05 Lakhs.

**Note 3: Deferred Tax**

Deferred tax have been recognised on transition to Ind AS as per balance sheet approach on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

**Note 4: Trade Receivables**

As per Ind AS 109, the Group is required to apply expected credit loss model for recognising the allowance for doubtful debts. As a result, the allowance for doubtful debts increased by Rs. 168.94 Lakhs as at March 31, 2017 (As at April 1, 2016 – Rs. 99.20 Lakhs).

(All amounts in INR lakhs, unless otherwise stated)

**Note 5: Proposed Dividend**

Under the previous GAAP, dividends proposed by the board of directors after the balance sheet date but before the approval of the financial statements were considered as adjusting events. Accordingly, provision for proposed dividend was recognised as a liability. Under Ind AS, such dividends are recognised when the same is approved by the shareholders in the general meeting. Accordingly, the liability for proposed dividend as at April 1, 2016 included under provisions has been reversed with corresponding adjustment to retained earnings. Consequently, the total equity increased by an equivalent amount of Rs. 111.40 Lakhs.

**Note 6: Excise Duty**

Under the previous GAAP, revenue from sale of products was presented exclusive of excise duty. Under Ind AS, revenue from sale of goods is presented inclusive of excise duty. The excise duty paid is presented on the face of the statement of profit and loss as part of expenses. This change has resulted in an increase in total revenue and total expenses for the year ended March 31, 2017 by Rs. 4,677.85 lakhs. There is no impact on the total equity and profit.

**Note 7: Remeasurements of Post-Employment Benefit Obligations**

Under Ind AS, remeasurements i.e. actuarial gains and losses are recognised in other comprehensive income instead of statement of profit and loss. Under the previous GAAP, these remeasurements were forming part of the profit or loss for the year. As a result of this change, the profit for the year ended March 31, 2017 decreased by Rs. 2.54 lakh. There is no impact on the total equity as at March 31, 2017.

**Note 8: Leasehold Land**

This pertains to adjustment pertaining to leasehold land assessed as finance lease.

**Note 9: Transaction Cost on Buy Back of Equity Shares**

Under the previous GAAP, transaction cost of Rs. 24.53 Lakhs on buy back of equity shares are charged to statement of profit and loss in the period in which they are incurred. Under Ind AS, such transaction costs on buy back of equity shares are accounted for as a deduction from equity since such transactions are made with owners of the company.

**Note 10: Retained Earnings**

Retained earnings as at 1 April, 2016 has been adjusted consequent to the above Ind AS transition adjustments.

**Note 11: Other Comprehensive Income**

Under Ind AS, all items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the statement of profit and loss as 'other comprehensive income' includes remeasurements of defined benefit plans, changes in fair value of FVOCI debt instruments and foreign exchange differences arising on translation of foreign operations. The concept of other comprehensive income did not exist under previous GAAP.

**53) Accounting standards and amendments issued but not yet effective as at 31 March 2018**

**Ind AS 115, Revenue from contracts with customers**

Ind AS 115, Revenue from contracts with customers deals with revenue recognition and establishes principles for reporting useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from an entity's contracts with customers. Revenue is recognised when a customer obtains control of a promised good or service and thus has the ability to direct the use and obtain the benefits from the good or service in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services. The standard replaces Ind AS 18 Revenue and Ind AS 11 Construction contracts and related appendices.

A new five-step process must be applied before revenue can be recognised:

1. Identify contracts with customers
2. Identify the separate performance obligation
3. Determine the transaction price of the contract
4. Allocate the transaction price to each of the separate performance obligations, and
5. Recognise the revenue as each performance obligation is satisfied.

The new standard is mandatory for financial years commencing on or after April 1, 2018 and early application is not permitted. The standard permits either a full retrospective or a modified retrospective approach for the adoption.

The Group is in the process of assessing the detailed impact of Ind AS 115. Presently, the Group is not able to reasonably estimate the impact that application of Ind AS 115 is expected to have on its financial statements.

(All amounts in INR lakhs, unless otherwise stated)

#### **Appendix B to Ind AS 21, Foreign currency transactions and advance consideration**

The MCA has notified Appendix B to Ind AS 21, foreign currency transactions and advance consideration. The appendix clarifies how to determine the date of transaction for the exchange rate to be used on initial recognition of a related asset, expense or income where an entity pays or receives consideration in advance for foreign currency-denominated contracts.

For a single payment or receipt, the date of the transaction should be the date on which the entity initially recognises the non-monetary asset or liability arising from the advance consideration (the prepayment or deferred income/contract liability). If there are multiple payments or receipts for one item, date of transaction should be determined as above for each payment or receipt.

The appendix can be applied:

- Retrospectively for each period presented applying Ind AS 8;
- Prospectively to items in scope of the appendix that are initially recognised
- On or after the beginning of the reporting period in which the appendix is first applied (i.e. April 1, 2018 for entities with March year-end); or
- From the beginning of a prior reporting period presented as comparative information (i.e. April 1, 2017 for entities with March year-end).

Management has assessed the effects of applying the appendix to its foreign currency transactions for which consideration is received in advance. The Group has evaluated the effect of this on the financial statements and impact is not material. Group to adopt the amendments prospectively to items in scope of the appendix that are initially recognised on or after the beginning of the reporting period in which the appendix is first applied (i.e. from April 1, 2018).

#### **Amendments to Ind AS 12 Income taxes regarding recognition of deferred tax assets on unrealized losses**

The amendments clarify the accounting for deferred taxes where an asset is measured at fair value and that fair value is below the asset's tax base. They also clarify certain other aspects of accounting for deferred tax assets set out below:

- A temporary difference exists whenever the carrying amount of an asset is less than its tax base at the end of the reporting period.
- The estimate of future taxable profit may include the recovery of some of an entity's assets for more than its carrying amount if it is probable that the entity will achieve this.
- Where the tax law restricts the source of taxable profits against which particular types of deferred tax assets can be recovered, the recoverability of the deferred tax assets can only be assessed in combination with other deferred tax assets of the same type.
- Tax deductions resulting from the reversal of deferred tax assets are excluded from the estimated future taxable profit that is used to evaluate the recoverability of those assets. This is to avoid double counting the deductible temporary differences in such assessment.

An entity shall apply the amendments to Ind AS 12 retrospectively in accordance with Ind AS 8 for the financial statements presented on or after April 1, 2018. However, on initial application of the amendment, the change in the opening equity of the earliest comparative period may be recognised in opening retained earnings (or in another component of equity, as appropriate), without allocating the change between opening retained earnings and other components of equity.

The Group has evaluated the impact of the amendments on its investments in equity shares and mutual funds and has concluded that the amendment has no impact on its financial statements as on March 31, 2017 and March 31, 2018.

The Group shall apply the amendments to Ind AS 12 retrospectively in accordance with Ind AS 8 and shall take effect of transition adjustment for earliest period presented for balance sheet as on March 31, 2019.

**NOTES:**

- I. A member entitled to attend and vote at the Annual General Meeting (the “Meeting/AGM”) is entitled to appoint a proxy to attend and vote on a poll instead of himself/herself and the proxy need not be a member of the Company. The instrument appointing the proxy in order to be effective, should be duly stamped,**

**filled, signed and must, be deposited at the registered office of the Company not less than forty-eight hours before the commencement of the Meeting.**

**A person can act as a proxy on behalf of members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights.**

**A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder.**

2. An explanatory statement setting out material facts pursuant to section 102(1) of the Companies Act, 2013, with respect to Special Business as set out in the notice is annexed hereto.
3. Corporate Members intending to send their authorized representatives to attend the Meeting pursuant to Section 113 of the Companies Act, 2013 are requested to send to the company a certified copy of the Board Resolution authorizing their representative to attend and vote on their behalf at the Meeting.
4. Members/Proxies/ Authorized representatives are requested to bring their Attendance Slip along with their copy of Annual Report to the Meeting.
5. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
6. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013 and the Register of Contracts or Arrangements in which the Directors are interested maintained under Section 189 of the Companies Act, 2013 will be available for inspection by the members at the AGM.
7. Members who hold shares in dematerialized form are requested to write their Client ID and DP ID Numbers and those who hold shares in physical form are requested to write their Folio Number in the Attendance Slip for attending the Meeting.
8. The Register of Members and Share Transfer Books of the Company will remain closed from Friday, 6<sup>th</sup> July, 2018 to Saturday, 7<sup>th</sup> July, 2018 for the purpose of 25<sup>th</sup> Annual General Meeting for annual closing and determining the entitlement of the shareholders to the final dividend, if declared at the AGM.
9. The dividend on Equity Shares of the Company if declared, will be made payable within 30 days of the date of declaration i.e. 27<sup>th</sup> July, 2018 to those members

whose names shall appear on the Company's Register of Members and in respect of the shares held in dematerialized form, the dividend will be paid to those members whose names are furnished by the National Securities Depository Limited ("NSDL") and the Central Depository Services (India) Limited ("CDSL) as beneficial owner as on 05<sup>th</sup> July, 2018.

10. The Company has transferred the unpaid or unclaimed dividends declared up to financial years 2010-11 (3<sup>rd</sup> Interim Dividend), from time to time on due dates, to the Investor Education and Protection Fund (the IEPF) established by the Central Government. Pursuant to the provisions of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund ) Rules, 2016 the Company has uploaded the details of unpaid and unclaimed amounts lying with the Company on the website of the Company at [www.mayuruniquote.com](http://www.mayuruniquote.com) and also on the website of the Ministry of Corporate Affairs.
11. (a) Adhering to the various requirements set out in the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, the Company has during financial year 2017-18, transferred to the IEPF Authority all shares in respect of which dividend had remained unpaid or unclaimed for seven consecutive years or more. Details of shares transferred to the IEPF Authority are available on the website of the Company i.e. [www.mayuruniquote.com](http://www.mayuruniquote.com). The said details have also been uploaded on the website of the IEPF Authority and the same can be accessed through the link: [www.iepf.gov.in](http://www.iepf.gov.in).
- (b) Members may note that shares as well as unclaimed dividends transferred to IEPF Authority can be claimed back from them. Concerned members/ investors are advised to visit the web link: <http://iepf.gov.in/IEPFA/refund.html> or contact our RTA for lodging claim for refund of shares and / or dividend from the IEPF Authority.
12. In order to provide protection against fraudulent encashment of dividend warrants, Members are requested to intimate the Company's Registrars & Share Transfer Agent "Beetal Financial and Computer Services

(P) Ltd” (RTA), particulars of their Bank Account viz. Name of Bank, Name of Branch, Complete address of the Bank with Pin Code Number, Account type – whether Saving Account or Current Account and Bank Account Number.

13. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company /RTA.
14. Members desirous of making nomination as permitted under Section 72 of the Companies Act, 2013 in respect of the physical shares held by them in the Company, can make nominations in Form SH-13, which can be procured from the RTA. The Members holding shares in demat form may contact their respective depository participants for making such nominations.
15. Members who hold shares in physical form in multiple folios in identical names or joint accounts in the same order of names are requested to send the share certificates to the Company’s RTA, for consolidation of such folios into a single folio.
16. It has been observed that some members have still not surrendered their old Share Certificates for Equity Shares of Rs. 10/- each for exchange with the new Share Certificates for Equity Shares of Rs. 5/- each. The Members are once again requested to surrender the old Share Certificates for Equity Shares of Rs. 10/- each to the RTA or the Company to exchange for the new Equity Shares of Rs. 5/- each.
17. The Notice of the Meeting along with the Annual Report 2017-18 is being sent by electronic mode to those Members whose e-mail addresses are registered with the Company/Depositories, unless any Member has requested for a physical copy of the same. For Members who have not registered their e-mail addresses, physical copies are being sent by the permitted mode.
18. The Shareholders who have not registered their email address are requested to update their e-mail addresses with their depository participants to enable Company to send all the Communications including Annual Report, Notices, Circulars, etc. electronically.
19. Members are requested to:
  - (a) Notify the change in address if any, with Pin Code numbers immediately to the Company (in case of shares held in physical mode).
  - (b) Quote their Regd. Folio Number/DP and Client ID Nos. in all their correspondence with the Company or its RTA.
20. Non Resident Indian Members are requested to inform RTA of the Company any change in their residential status on return to India for permanent settlement, particulars of their bank account maintained in India with complete name, branch account type, account number and address of the bank with pin code number, if not furnished earlier.
21. As required under Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard 2 on General meeting issued by the ICSI, the relevant details of Directors retiring by rotation and/or seeking appointment/re-appointment at the ensuing AGM are furnished as Annexure A to this Notice of AGM.
22. The documents referred to in the proposed resolutions are available for inspection by members at the registered office of the Company during working hours between 10.00 A.M. to 5.00 P.M. except on holidays upto the date of this AGM.
23. Queries, if any, on accounts and operations may please be sent to the company at least 7 days in advance of the meeting so that the answers can be made available at the meeting.
24. A copy of Audited Financial Statements (Standalone and Consolidated) for the year ended 31<sup>st</sup> March, 2018 together with the Board’s and Auditor’s Report thereon are enclosed herewith.
25. CS Manoj Maheshwari, Practicing Company Secretary, Jaipur has been appointed as the scrutinizer for the conduct of e-voting and polling process to be carried out at the AGM of the Company in a fair and transparent manner.

26. The route map showing the direction to reach the venue of AGM is attached at the end of the Report.

## 27. E-VOTING FACILITY

Pursuant to provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014, (as amended) and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015, the company is pleased to provide to the members, facility to exercise their right to vote at the AGM by electronic means from a place other than the venue of the AGM ('remote e-voting') and the business may be transacted through e-Voting Services.

The company has therefore engaged **Central Depository Services (India) Limited** ("CDSL") for providing e-voting services through its e-voting platform. In this regard, your Demat Account/Folio Number has been enrolled by the Company for your participation in e-voting on resolutions placed by the Company on e-Voting system.

The Notice of the AGM of the Company inter alia indicating the process and manner of e-Voting process along with printed Attendance Slip and Proxy Form can be downloaded from the link <https://www.evotingindia.com> or <http://www.mayuruniquoters.com>

28. A person who has acquired shares & become a member of the company after the dispatch of notice of AGM & holding shares as of cut-off date, may obtain the login ID & password by sending a request at [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com). However, if the person is already registered with the CDSL for remote e-voting then the existing user ID & password can be used for casting vote. The instructions for members relating to remote e-voting which inter alia would contain details about user ID & password are provided separately along with Annual Report.

29. The e-voting period shall commence on Monday at 10:00 A.M. on 23<sup>rd</sup> July, 2018 and will end on Thursday at 5:00 P.M. on 26<sup>th</sup> July, 2018. During this period,

shareholders of the Company holding shares either in the physical form or in dematerialised form, as on the cut-off date i.e. 20<sup>th</sup> July, 2018, may cast their vote electronically. The e-voting module shall be disabled for voting thereafter. Once the vote on a resolution is casted by the shareholder, the shareholder shall not be allowed to change it subsequently.

30. The voting rights of members shall be in proportion to their shares in the paid up equity share capital of the Company as on the cut-off date i.e. 20<sup>th</sup> July, 2018.

31. The facility for voting through Ballot/ Poll Paper shall be made available at the Annual General Meeting and the members attending the meeting who have not cast their vote by remote e-voting, can exercise their right at the meeting through Ballot/ Poll Paper.

### E-Voting Instruction

**The instructions for shareholders voting electronically are as under:**

- (i) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (ii) The shareholders should log on to the e-voting website [www.evotingindia.com](http://www.evotingindia.com).
- (iii) Click on Shareholders.
- (iv) Now Enter your User ID
  - a. For CDSL: 16 digits beneficiary ID,
  - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
  - c. Members holding shares in Physical Form should enter Folio Number registered with the Company.
- (v) Next enter the Image Verification as displayed and Click on Login.
- (vi) If you are holding shares in demat form and had logged on to [www.evotingindia.com](http://www.evotingindia.com) and voted on an earlier voting of any company, then your existing password is to be used.
- (vii) If you are a first time user follow the steps given below:

	<b>For Members holding shares in Demat Form and Physical Form</b>
<b>PAN</b>	<p>Enter your 10 digit alpha-numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders)</p> <ul style="list-style-type: none"> <li>Members who have not updated their PAN with the Company/Depository Participant are requested to use the first two letters of their name and the 8 digits of the sequence number in the PAN field.</li> <li>In case the sequence number is less than 8 digits enter the applicable number of 0's before the number after the first two characters of the name in CAPITAL letters. Eg. If your name is Ramesh Kumar with sequence number 1 then enter RA00000001 in the PAN field.</li> </ul>
Dividend Bank Details <b>OR</b> Date of Birth (DOB)	<p>Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the Company records in order to login.</p> <ul style="list-style-type: none"> <li>If both the details are not recorded with the depository or company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (iv).</li> </ul>

(viii) After entering these details appropriately, click on "SUBMIT" tab.

(ix) Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

(x) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

(xi) Click on the EVSN for the relevant <Mayur Uniquoters Limited> on which you choose to vote.

(xii) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.

(xiii) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.

(xiv) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.

(xv) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.

(xvi) You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.

(xvii) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.

(xviii) **Shareholders can also cast their vote using CDSL's mobile app m-Voting available for android based mobiles. The m-Voting app can be downloaded from Google Play Store. Apple and Windows phone users can download the app from the App Store and the Windows Phone Store respectively on or after 30<sup>th</sup> June 2016. Please follow the instructions as prompted by the mobile app while voting on your mobile.**

(xix) **Note for Non – Individual Shareholders and Custodians**

- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to [www.evotingindia.com](http://www.evotingindia.com) and register themselves as Corporates.

- A scanned copy of the Registration Form bearing the stamp and sign of the entity should be e-mailed to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com).
- After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login should be mailed to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com) and on approval of the accounts they would be able to cast their vote.
- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.

(xx) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions (“FAQs”) and e-voting manual available at [www.evotingindia.com](http://www.evotingindia.com), under help section or write an email to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com).

**Members may please note the following:**

A member may participate in the AGM even after exercising his right to vote through remote e-voting but he shall not be allowed to vote again at the AGM.

A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of remote e-voting as well as voting at the AGM through Ballot Paper.

The Chairman, at the AGM, at the end of discussion on the resolutions on which voting is to be held, shall allow voting with the assistance of scrutinizer, by use of Ballot / Poll Paper for all those members who are present at the AGM but have not cast their votes by availing the remote e-voting facility.

The Results of voting along with Scrutinizer’s Report(s) will be published on the website of the Company [www.mayuruniquoters.com](http://www.mayuruniquoters.com) and on Service Provider’s website [www.evotingindia.com](http://www.evotingindia.com) within 48 hours from the conclusion of the AGM and the same shall also be

simultaneously communicated to the BSE Limited and the National Stock Exchange of India Limited.

**EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 (“THE ACT”) FORMING PART OF THE NOTICE.**

**Item No. 4:**

The Board, on the recommendation of Audit Committee, has approved the appointment of M/s. Pavan Gupta & Associates, Cost Accountants (Firm Registration No. 101351) as Cost Auditors to conduct the audit of the cost records of the Company, for the financial year ending 31<sup>st</sup> March, 2019.

In accordance with the provisions of Section 148 of the Act read with The Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors as recommended by the Audit Committee and approved by the Board of Directors, has to be ratified by the members of the Company.

Accordingly, the resolution as set out at Item No. 4 of the notice seeks the consent of the members for the ratification of payment of remuneration amounting to Rs. 2, 35, 000/- (Rupees Two Lakhs Thirty Five Thousand Only) p.a. plus applicable GST and reimbursement of out of pocket expenses at actuals to the Cost Auditor for the financial year ending 31<sup>st</sup> March, 2019.

None of the Directors, Key Managerial Personnel of the Company and their relatives are in any way concerned or interested, financially or otherwise in the resolution as set out at item no. 4 of the Notice.

The Board recommends the Ordinary Resolution as set out at item no. 4 in the Notice for approval by the members.

**Item No. 5:**

The Board of Directors appointed Mr. Shyam Agrawal (DIN: 03516372) as an Additional (Independent) Director of the Company with effect from 26<sup>th</sup> March, 2018 who in terms of the provisions of Section 161(1) of the Act, shall hold office upto the date of this Annual General Meeting and is eligible for the appointment as a Independent Director. Also, pursuant to the provisions of Section 150(2) read with Section 152 (2) of the Act, the appointment of Independent Director shall be approved by the members of the Company in general meeting.

The Company has received a notice in writing from a member under Section 160 of the Act proposing the candidature for Mr. Shyam Agrawal as an Independent Director of the company who has given a declaration to the effect that he meets the criteria of independence as provided under Section 149(6) of the Act and regulation 16(1)(b) of the SEBI ( Listing Obligations and Disclosure Requirements) Regulations, 2015 along with a declaration under Section 164(2) of the Companies Act, 2013 read with the rules made there under, confirming he is not disqualified to be reappointed as a Director of the Company.

In the opinion of the Board, Mr. Shyam Agrawal fulfils the conditions for appointment as an Independent Director as specified in the Act and the Listing Regulations. Mr. Shyam Agrawal is independent of the management.

The Board of Directors, on the basis of the report of performance evaluation, has recommended re-appointment of Mr. Shyam Agrawal as an Independent Director for a term of 5 (five) consecutive years w.e.f. 26<sup>th</sup> March, 2018 on the Board of the Company.

Details of Mr. Shyam Agrawal, are provided in the “Annexure-A” to the Notice. He shall be paid remuneration by way of fee for attending meetings of the Board or Committees thereof or for any other purpose whatsoever as may be decided by the Board, reimbursement of expenses for participating in the Board and other meetings

Details are provided in the “Annexure-A” to the Notice pursuant to the provisions of (i) the Listing Regulations and (ii) Secretarial Standard on General Meetings (“SS-2”), issued by the Institute of Company Secretaries of India.

None of the Directors, Key Managerial Personnel of the Company and their relatives except Mr. Shyam Agrawal, being an appointee is in any way, concerned or interested, financially or otherwise in the resolution as set out at item no. 5 of the Notice.

The Board recommends the Ordinary Resolution as set out at item no. 5 in the Notice for approval by the members.

**Item No. 6:**

The existing Articles of Association (AOA) of the Company are based on the applicable provisions of the Companies Act, 1956.

Upon enactment of the Companies Act, 2013, various provisions of the Companies Act, 1956 have been repealed and in view of the same the Articles of Association of the Company need to be re-aligned as per the provisions of the new Act. The Board of Directors at its meeting held on 30<sup>th</sup> May, 2018 decided to incorporate/substitute/alter certain provisions as per the Companies Act, 2013. As this would result in a number of changes in the existing Articles of Association of the Company, it was desirable to adopt a new set of Articles of Association in place of and in exclusion to the existing Articles of Association of the Company.

Pursuant to the provisions of section 14 of the Companies Act, 2013 approval of the shareholders of the Company by Special Resolution is required for the adoption of new Articles of Association to replace the existing Articles of Association and accordingly, the approval of the shareholders is being sought for the adoption of the new Articles of Association in substitution and exclusion to the existing Articles of Association of the company.

A copy of the proposed new Articles of Association to be adopted are available for inspection by members at the registered office of the Company during working hours between 10.00 A.M. to 5.00 P.M. except on holidays upto the date of this AGM.

None of the Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise in the resolution as set out at item no. 6 of the Notice.

The Board recommends the Special Resolution as set out at item no. 6 in the Notice for approval by the members.

**Item No. 7:**

Pursuant to the provisions of Section 186 of the Companies Act, 2013, a company can give any loan, guarantee, provide security or make investment in shares, debentures etc. up to an amount of 60% of its paid up capital, free reserves and securities premium account or 100% of free reserves and securities premium account, whichever is higher.

A company may give loan, guarantee, provide security or make investment in shares, debentures etc. exceeding the above limits with the prior approval of shareholders by means of a special resolution.

In terms of Rule 11 of the Companies (Meetings of Board and its Powers) Rules, 2014, the above limits are not applicable in case a company gives loan or guarantee or provides security to its wholly owned subsidiary companies or joint venture companies or makes investment in securities of its wholly owned subsidiary companies.

Aggregate amount of the loans and investments, the amount for which guarantees and securities provided by the Company may exceed the limits of 100% of free reserves and securities premium account in the near future.

The Board of Directors via unanimous resolution passed in its meeting held on 30<sup>th</sup> May, 2018 approved giving of any loan, guarantee or making investment in shares, debentures etc. upto an amount of Rs.500 Crore.

None of the Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise in the resolution as set out at item no. 7 of the Notice.

The Board recommends the Special Resolution as set out at item no. 7 in the Notice for approval by the members.

By order of the Board of Directors
