- 112 The Equity Shares proposed to be brought back by the Company, as a part of Buyback is divided into two categories
- reserved category for Small Shareholders (defined under Regulation 2(ii)(n) of the SEBI Buyback Regulations as a shareholder, who holds shares or other specified securities whose market value, on the basis of closing price on the recognized stock exchange registering the highest trading volume, as on Record Date, is not more than Rs. 2,00,000 /-(Ruppes Two Lakh only)); and

- Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible 11.4 Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Elicible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholders will be based on the total number of Equity Shares tendered. Accordingly, in the event of the overall response to the tender offer being in excess of the Buyback Offer Size, the Company may not purchase all the Equity Shares tendered by the Eligible Shareholders, over and above
- In order to ensure that the same Eligible Shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shares held by such Elicible Shareholders with a common commanent account number ("PAN") for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholder holding equity shares in physical form, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holder

and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/foreign portfolio investors etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback (defined below) as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

- 11.6 After accepting the Equity Shares tendered on the basis of the entitlement, the Equity Shares left to be bought back, if any in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by the Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in other category.
- 11.7 The Eligible Shareholders participation in Buyback is voluntary. The Eligible Shareholders can choose to participate, in part or in full, and get cash in lieu of Equity Shares accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. The Eligible Shareholders may also tender a part of their entitlement. The Eligible Shareholders also have the option of tendering additional Shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any.
- 11.8 The maximum tender under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date.

11.9 The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedures laid down in Buyback Regulations.
